It is a great pleasure to express my deep sense of gratitude to my thesis supervisor Dr. D. K. Avasthi for his spirited encouragement, healthy criticism and inspiring discussion throughout the research tenure.

I am indebted to Prof. G. K. Mehta, Ex. Director of NSC, for his encouragement and kind advice.

I express my deep sense of regard to Dr. A. Roy, Director, NSC, for his overall suggestions and valuable discussions in different aspects.

I must express my sincere gratitude to Dr. D. Kanjilal, Prof. N. C. Mishra, Dr. S. K. Datta, Dr. R. K. Bhowmik, Dr. A. K. Sinha and Dr. A. Mandal, for their constant encouragement and time to time fruitful discussion.

I am grateful to Dr. R. K. Ranade, Dr. T. K. Nandi, Dr. S. K. Arora and Dr. C. P. Safvan for their important suggestions and sharing experiences.

The work will never be fulfilled without the inspiring and enjoyable support of the scientific group involved in different experiments, Dr. T. Som, Mr. A. Tripathi, Mr. D. Kabiraj, Mr. P. Sugathan, Dr. V. K. Mittal, Dr. A. Ingale, Dr. V. Ganesan, Miss S. Mishra, Dr. P. Jha, Dr. D. Sarangi, Dr. S. Zhang and Dr. D. K. Avasthi.

I express my sincere thanks to other group members of materials science department, Mr. V. Shivakumar, Dr. D. Bhattacharya, Mr. F. Singh, Mr. R. N. Datt, Dr. S. Gupta, Dr. T. Mohanti and Mr. S. Ahmed for their timely help and useful discussions.

It is my pleasure to acknowledge the scientists and technocrats of different laboratories of NSC whose untiring effort make several difficult works successful, Mr. G. K. Chaudhary, Mr. P. Barua, Mr. A. Kathari (Vacuum Lab), Mr. D. O. Kataria, Mr. A. Jhingan, Mr. T. Verghese (Detector Lab), Mr. D. Kabiraj, Mr. S. S. Sonti (Target Lab), Dr. S. Mookherjee, Mr. E. T. Subramanyam, Mr. S. Bhatnagar (Computer Lab), Mr. A. Punithaan, Mr. P. Mishra (Data support Lab), Mr. B. P. Ajithkumar, Mr. K. Singh, Mr. B. K. Sahu (RF Lab), Mr. S. Venkataramanan, Miss. A. Gupta (Electronics Lab), Mr. S. P. Lochab, Mr. D. Sen and Mr. R. Sonkwaide (Health Phys. Lab).

I must express heartfelt words of appreciation to the Pelletron group of NSC, Dr. S. K. Datta, Mr. S. Chopra, Mr. R. Joshi, Mr. S. Gargari, Mr. M. Sota, Mr. J. Prasad, Mr. R. Kumar, Mr. V. Patel, Mr. S. Ojha, Mr. M. P. Singh, Mr. N. S.
Pawar, Mr. M. Nishal and Mr. S. Kumar for fulfilling the experimental requirement at any time of the clock.

My heartfelt thanks are due to Mr. J. Jhakaria, Mr. R. Ahuja, Mr. S. Rao, Mr. S. K. Saini, Mr. R. Ram and all other employees of workshop for their timely and necessary help.

I express my deep regard to the eminent scientists of many other institutions of India and abroad, Prof. A. Gupta (IUC-Indore), Dr. R. Bhattacharya (NPL, New Delhi), Prof. D. S. Mishra (IIT. Mumbai), Dr. W. Assmann (LMU. Munich), Prof. K. Rustogi (CAT, Indore), and Prof. K. Wien (Darmstadt, Germany) for useful discussions and suggestions.

I express my cordial thanks to the administrative staff of NSC for their timely and needful help.

It is my duty to acknowledge the sincere advises of my senior colleagues- Dr. I. Majumdar, Dr. S. Mandal, Dr. G. Mukherjee, Dr. P. Joshi, Dr. L. T. Baby, Dr. V. Tripathi and Dr. S. K. Hui.

I am fortunate to have a company of my contemporary Ph. D. scholars, Buddhadev, Rajendra and Jitendra, which is ever encouraging and full of academic enjoyment and inspiration.

Close cooperation of my junior colleagues Sanjeev and Nagesh in all my activities was a great support in the accomplishment of this work.

It is my pleasure to remember many others who were very much friendly to me in different occasions, Mr. P. V. Madhusudan Rao, Mr. B. Behra, Dr. T. Banerjee, Miss. A. Gupta, Mr. R. J. Chaudhury, Mr. U. V. Khadke, Mr. H. S. Nagraj, Dr. C. Rath, Mr. S. De, Mr. R. Pathak, Miss S. Barua, Mr. S. Gupta, Miss A. Dogra, Ms G. Lakhshmi,and Ms. N. Bajwa.

I am unable to describe in words the whole hearted bliss and unlimited encouragement of my parents. Ever loving words and wishes of my brother, sister and all other relatives gave me enough mental strength to face any hurdle that comes in the way of life.

Santanu Ghosh
