LIST OF PUBLICATIONS

Publications in International Journals

**Papers Presented/Accepted in National/ International Conferences**

**Papers communicated to International Journals**

1. “Investigation of temperature dependence of 1/f noise in Pd/n-GaAs Schottky barrier diode” – R. Singh and D. Kanjilal (Communicated to *J. Appl. Phys.*).

3. "In situ resistivity, Hall and conductance noise investigations of 200 MeV \textsuperscript{107}Ag\textsuperscript{14}+ ion irradiated n-GaAs epitaxial layer" – \textbf{R. Singh}, S. K. Arora, J. P. Singh, D. Kanjilal, Renu Tyagi and S. K. Agarwal (submitted to \textit{J. Appl. Phys.}).

Technical Reports/Memos
