ACKNOWLEDGEMENTS

I am greatly indebted to my supervisor Dr. D.T. Mourya, Assistant Director, National Institute of Virology, Indian Council of Medical Research, Pune for his valuable and painstaking guidance, keen interest and constant encouragement during the course of this work.

I express my gratitude to Dr. K. Banerjee, former Director and Dr. D.A. Gadkari, Director, National Institute of Virology, Pune for providing various facilities and encouragement to carry out this work.

Dr. V.S. Padbidri, Deputy Director (SG), NIV deserves thanks for valuable advice and critical comments on the manuscript. Thanks are also due to Mr. S.S. Bedekar and Mr. A.M. Walimbe of NIV for their help in statistical analysis.

Grateful acknowledgements are due to Shri C.B. Lande, Tech. Assistant, for help in technical aspects of the laboratory work. Mr. George B. Jacob for providing some of the mosquito strains. Mr. Pradip Barde, Mr. K.A. Pillay, Mr. R.S. Doiphode and all other colleagues of NIV for helping me in various ways.

Special thanks are due to Mr. J.R. Kumbhare, Mrs. S.S. Kode and Mrs. S.M. Karmbelkar of National Institute of Virology for their time to time assistance for the preparation of the manuscript. Mr. K. Murali, Mr. H.M. Shinde and Mr. S.K. Deshpande for photography work.

Mere words cannot express my thanks to my wife Madhvi, who rendered all kinds of support to me during this work; and to my loving son Chaitanya who tolerated my absence for hours and days. Last but not the least I express my inexplicable and heartfelt thanks to my parents whose affection and blessings have been the real pillars of my confidence.

Every minor helps or even a soft sincere word played its part in this long endeavour of hope and despair. So, I express my sincere thanks to all those who extended their help in accomplishment of my work in one or the other way.
