ACKNOWLEDGEMENT

The deeply felt indebtedness, gratitude and respect the investigator has towards his supervising teacher Dr. C. Naseema, Reader in Education, University of Calicut, for the constant, vigorous and determined guidance, help and encouragement rendered throughout the study beyond verbalization. Obligation that the investigator owes to his guide is beyond expression and this is only to word forth the due respect, deep effective and sincere courtesy that she has been made.

The investigator expresses his gratitude to Dr. P. Usha, Head of the Department of Education, University of Calicut, for providing facilities to conduct the study.

The investigator thinks it is more than a duty to thank Prof. (Dr.) P. Kelu and Prof. (Dr.) V. Sumangala, Former Heads, Department of Education, University of Calicut for providing facilities to conduct the study.

The investigator expresses his deep gratitude and indebtedness towards Dr. K. Soman, Former Head of the Department of Education, University of Calicut and Former Commissioner for Educational Development and Research, Kerala State, for the valuable guidance given by him at the time of preliminary qualifying examination.

Remembering with sincere reverence and courtesy to the Principal and staff of Sree Ramakrishna mission vidyalaya, Coimbatore for providing Library facilities for the reference related to the study.

Though expression through words is not sufficient, the investigator wishes to place on record his deepest thanks to all Heads of schools, Regular teachers, Resource teachers, Hearing impaired children and Normal children of various institutions, without the co-operation and generosity of whom this study would not have seen the light today.

The sincerity and co-operation from DDEs, DEOs, AEOs and DIET faculties in Kerala is thankfully acknowledged.

It is a privilege in the part of the investigator to place on record his deep felt of gratitude to his wife, Safira, and children, Lasima and Lesin for the emotional support which greatly helped in the completion of the study. The investigator also wishes to express his sincere thanks to his colleagues and friends for their prayers and encouragement.

Finally, the investigator, thankfully acknowledges Mr. Jabir for the computer processing and analysis and M/s Bina Photostat for the documentation of this work.
