Acknowledgments

First and foremost, I acknowledge the Almighty for his miraculous help to me in undertaking my work and covering this journey peacefully.

I would like to gratefully acknowledge the enthusiastic supervision of my worthy mentor, Dr. Saroj Arora, Professor, Department of Botanical and Environmental Sciences, Guru Nanak Dev University, Amritsar, for introducing me into the enthusiastic field of research. I would like to thank her for her valuable guidance, constant supervision, generous support, wholehearted assistance, constructive criticism, incessant encouragement, expertise and suggestions in conducting and designing my experimental work. Her immaculate guidance, perceptive knowledge and benevolent attention have gone a long way in enabling me to pursue the work presented in this dissertation.

I am highly grateful to Former Head Dr. Adarsh Pal Vig and Present Head, Dr. Satwinderjeet Kaur, Department of Botanical and Environmental Sciences, Guru Nanak Dev University, for providing me all the necessary facilities needed to complete my work. My massive thanks go to Prof. A. K. Thukral for his assistance in statistical analysis of data. I would like to acknowledge the generous help, co-operation and support extended by all the faculty members of the department. I am also thankful to Non-teaching staff of the department for their ungrudging assistance.

It is my privilege to express my heartiest thanks to Rakesh Kumar and Sonia for their generous support, wholehearted assistance, kindful attention, understanding and suggestions. I am grateful to all the research fellows of the department for their enduring interest, immaculate help and valuable suggestions.
I like to make my special thanks to my adorable friends Manvi Kapoor, Rachana Mishra, Gaurav Bhatia, Karan Mahajan, Tajinder Kaur, Pardeep Kaur, Rohit Arora for their inspiration, goal oriented motivation and consistent trust and support.

I highly appreciate for unsolicited cooperation, support and cheery assistance of my family members for their unflagging love and support. My feelings toward my beloved Grandmother Late. Smt. Shakuntala Rani, my father Mr. Rakesh Kumar Mahajan and my mother Mrs. Rajni Mahajan, my sister, my brother and my dear all chachu’s and chachi’s and Bhua Dr. Santosh Mahajan, Uncle and the little kids are to be felt to be believed. They stood by me when I felt down, but for the sincerity of their good wishes, power of their blessings and warmth of their love, the completion of this work would have remained a distant dream. Words cannot justify my encompassing debt for their ineffable love and incessant inspiration. Their abundant affection, encouragement and moral support were the constant source of inspiration for me.

Finally I bow my head in the reverence to the ever so kind and forgiving “Almighty” for showering goodness, health and fortune on me to go ahead successfully in life.
