APPENDIX - XI

COPY OF THE LETTER, WRITTEN TO THE HEAD OF THE INSTITUTION BY THE SUPERVISOR:

From: K. S. Gupta
Head, (Retired)
Department of Education,
Calcutta University.

To: The Headmaster/ Headmistress,

Dear Sir/Madam,

Sri Rabindra Kumar Saha, Lecturer, R.K.Mission Brahmananda P.G.B.T. College, Rahara, is a research scholar in the Department of Education, Calcutta University, working under me, being engaged in research work on finding out correlates of "Achievement" in General Physics topics, included in the syllabus of Physical Science of the students of Class-IX (Just promoted to class-X) in the schools of West Bengal.

As a part of his research activities he intends to standardise an "Achievement Test" in General Physics.

Moreover, as correlates of "Achievement" he will administer an "Intelligence Test" and "Academic Motivation Test". You will probably appreciate that the above mentioned evaluation tools are required in the country, particularly in West Bengal where no such test is available.
Needless to say, that a project of this kind cannot be successfully implemented without active cooperation of competent and experienced teachers like you.

I, therefore, hope that you would kindly allow Sri Rabindra Kumar Saha, to administer the mentioned "Test-Tools" on your students of class-X (one Section) just promoted from class-IX.

The time and dates of administration of these tests will be fixed in consultation with you.

I may assure that the "Data" to be collected through these "Tests" will be utilised for the professional use only and will be kept strictly confidential.

Thanking you,

Yours faithfully,

Sd/- Prof. K. S. Gupta.
