Acknowledgement

I have the great pleasure in expressing my deep sense of gratitude and indebtedness to Dr. Bimal Krishna Dey, Professor, Bidhan Chandra Krishi Viswa Vidyalaya, Department of Agricultural Chemistry and Soil Science, Kalyani, Nadia, West Bengal and former Lecturer of Faculty of Agriculture, University of Calcutta for his supervision, valuable guidance, persistent interest and constructive criticism throughout the course of my investigation and in the preparation of this manuscript.

My thanks are also due to my teachers and friends who helped me in various ways during the course of the research work.
