

## ACKNOWLEDGEMENTS

I would like, first of all, to express my deepest and sincerest gratitude to my research guide Dr. Surya Nath Singh, Head, Library and Information Center, National Institute of Virology, Pune. His invaluable advice, instructions, comments, and correction together with his expertise in the field, inspired me to go ahead and complete the study.

Special thanks should be extended to Prof. S. K. Patil, Head of Library and Information Science Department, University of Pune for his support and help in the official and academic affairs. Also, thanks go to all faculty members and the staff of the department due to their cooperation during my study.

I wish to acknowledge Mr. Ahmadi (Lecturer, Ahvaz University and PhD student in Statistics, University of Pune) for his advice and technical support in the statistics of my study.

Thanks should also be due to all heads of Pharmacology College Libraries and Information Centers in Iran, especially Ms. Amini, for their kind cooperation in providing me the required information for my study. Also, I am particularly grateful to all ICLs' Users who filled out the questionnaires. This project could not have been possible without their cooperation.

I owe enormous gratitude to my husband, Hamid Ashraf, Academic Staff, Islamic Azad University, Iran for his love and support throughout this very demanding but rewarding time in India.
