ACKNOWLEDGEMENTS

It’s by God’s grace and the will of Almighty that I take this opportunity to express my gratitude to all those who stood beside me at different stages of my research work and completion of my thesis.

I take the privilege to express my deepest sense of gratitude and unfathomable indebtedness to my supervisor Prof. P. S. Bisen, Former Vice Chancellor, Jiwaji University, Gwalior, M.P., Former Director of Madhav Institute of Technology and Science, Gwalior, M.P., Former Director, J. C. Bose Institute of Life Sciences, Bundelkhand University, Jhansi, U.P. He has been a constant source of inspiration. His deep wide knowledge, continuous supervision, and suggestions helped in understanding and appreciating the subject matter of my thesis. His systematic approach, valuable suggestions, help and assurance has enabled me to accomplish this work successfully.

I am extremely grateful to express my deepest gratitude to my Co-supervisor Dr. P. K. Pandey, Department of Biotechnology, Bundelkhand University, Jhansi, U.P. for his generous and constant support, throughout my research work.
I am extremely grateful to Prof. N. K. Sah, Head, Department of Biotechnology, Madhav Institute of Technology and Science, Gwalior, M.P. for his kind cooperation, faith, and for motivating me to work in scientific manner. I also wish to thank for extending all lab facilities to make this study possible.

I owe my sincere thanks to Dr. S. K. Raza, Scientist E, Head of HRD Division, Dr. R. S. Chauhan, Scientist F, Head of Electron Microscopy Division, Dr. M. Palit, Scientist C, Vertex Division, Ms. Pratibha pandey, Scientist C, Electron Microscopy Division, Dr. Ram Kumar Dhakad, Scientist C, Biotechnology Division, Defence Research Development and Establishment, Gwalior, M.P. for their kind help during progress of my work.

I owe my deep sense of gratitude to Dr. D. S. Dubey, Scientist D, Head of Vertex Division, DRDE, and Dr. Rakesh Bhargava, Scientist C, Virology Division, DRDE, Gwalior, M.P.

I am thankful to Dr. Jose Mathew, Head, Department of Biotechnology, J. C. Bose Institute of Life Sciences, Bundelkhand University, Jhansi, U.P. and my seniors Dr. (Mrs.) Bhanumati Singh, Dr. V. S. Chauhan, Dr. Rishi kumar Saxena, Lecturers, J. C. Bose
Institute of Life Sciences, Bundelkhand University, Jhansi, U.P. for their help and encouragement.

My special gratitude is due to Mrs. Shashi Bisen for her encouragement and affectionate blessings during the progress of my work.

My sincere and heartfelt thanks to my friend Pratiksha Bhadauriya, for her boundless affections, constant help and encouragement.

It is a pleasure to acknowledge my enormous debt to my colleagues Mrs. Anshulata, Mr. Zakir, Mr. Mukesh, and my seniors, Mrs. Neelam Gupta, for their cooperation during the course of my study.

I offer my heartiest thanks to my friends Sangeeta, Kanchan, Vineeta, Mamata, Tarkeshwary, and Anupama for their encouragement. Thanks are due to all the staff members and students of my institute.

No words are sufficient to express my feeling to my brothers Sanjay and Ajay and my Bhabhi Geeta for their constant encouragement and co-operation. My special thanks are due to my
sisters Rekha, Manjulata, Manorama and Mohini for their affectionate blessings.

I owe very much to Rahul, Parul, Bharati, Roopam, Arun, Anupam, Munmun, Sachin, Aayushi, Aditya, Raja, and Pari for their love and moral support.

And last but not the least; I am very grateful to my father Late Mr. S. S. Gupta, who had always been a guiding force for me. No amount of thanks would fully express the gratitude towards my Mother, Mrs. Rammurti Gupta who has been a constant source of encouragement with her unfailing support, unconditional love and affection, for giving proper direction towards the achievements of my goals in life.

Date: 16/01/07
