ACKNOWLEDGEMENT

It was my great fortune to have been associated and to work under the supervision of Dr. Prabhat Kumar Reader, Post – Graduate Department of Zoology, D. V. (P. G.), College, Orai. I take this opportunity to express my profound and deepest sense of gratitude to his suggestions, guidance, and encouragement in transferring the effort into success.

I gratefully acknowledge with thanks to Dr. N. D. Samadhiya, Principal, D.V. (P. G.) College, Orai for enrolling me as Ph.D. student and Dr. V. K. Pathak, Head, Department of Zoology, for allowing me to use the departmental facilities.

I feel immense pleasure in expressing my thanks to Dr. Anil Srivastava, Reader, and Dr. H. C. Srivastava, Reader, Department of Zoology for their advice and valuable suggestions in course of my doctoral work, which helped me in giving this dissertation in final shape.

I am sincerely indebted to Dr. R. K. Gupta, Reader, Department of Botany, D. V. (P. G.) College, Orai, for his support, cooperation and help at all during my work.

My heartfelt thanks go to my friends with whom I’ve shared every day, a drama of laughter, joys, sadness, pain, failures and victories especially Anil Saumakiya, Dr. Anuj Bhadauria, Manoj Srivastava Surendra Kumar Niranjan and Rajesh Kumar.

I will remain indebted to Dr. Alok Kumar Pathak, Lecturer, Department of Zoology, D. V. College, Orai for extending all possible help whenever needed.

I am grateful to my mother Smt. Kaushalya Devi and father Sri Gokul Prasad who trusted and allowed me to work, which no words can express.
My indebtedness runs deeper to my mother in law Smt. Shashi Bala Rajput, father in law Shri V. K. Rajput and my aunt Smt. Gayatri Niranjan for their constant encouragement, cooperation and their blessings.

I offer my appreciation and great debt of gratitude to my wife, Mrs Yasna Rajput for constantly encouraging and pinning her hopes in me. I am thankful to her for making me self reliant, positive and optimistic person.

I am also thankful to my daughter, Dear Ayushi who bears all unfavourable situations during the course of the present research work.

Last but not the least, I thank all those whose names do not figure here but have helped me directly or indirectly during the course of my study and in shaping of this thesis.
