ACKNOWLEDGEMENTS

It is my pleasure to express my gratitude to those who have helped and encouraged me in various ways in carrying out this study.

I am deeply indebted to Professor A. Basu for his guidance at every stage of the work. I gratefully acknowledge the help received from Dr. R. Gupta, Professor P.P. Majumder, Dr. P. Bharati, Dr. B. Mukhopadhyay, Dr. S.K. Roy, Dr. S. Mukhopadhyay, Dr. M. Ghosh Dastidar and Dr. M. Chakraborty for their valuable comments, suggestions and sustained help. Thanks are due to Dr. P. Banik, Ms. M. Das, Ms. R. Ghosh and Mr. H.N. Shyam for their friendly cooperation.

I greatly appreciate the help of Dr. P.K. Mitra and Dr. S. Basak of R.G. Kar Medical College and Hospital, for kindly giving me the benefit of their knowledge and expertise in collecting data on biomedical traits. Acknowledgements are due to Dr. R. Mukherjee, F.D.C. Ltd. and Gluconate India for providing medicines free of cost for the people of the study area, during the time of field work.

I do sincerely acknowledge the help of Mr. R.K. Bardhan for his excellent job of typing the manuscript, Mr. B.N. Pal and Mr. N. Laha for their technical assistance and Mr. P.C. Coomar for preparing the diagrams.

I owe profound debts to the University Grants Commission for its financial support, to the authorities of the Indian Statistical Institute, particularly the Dean of Studies, Dean's Office staff, the Professor-in-Charge and Divisional staff of Biological Sciences Division, the Head and Unit's staff of Anthropology and Human Genetics Unit, and to the authorities of R.G. Kar Medical College and Hospital for providing me organisational support.

My sincere thanks are due to the staff of the ISI Library for numerous help, of the Reprography Unit of ISI for the xerographic reproduction of the thesis, and the Transport Unit of ISI for help in connection with the field work.

I express immense gratitude to the people of the study area for their unhesitating help and cooperation. I am also very much grateful to Mr. S. Ghosh (Gorada), Mr. G. Roy, Dr. A. Roy and to the members of the Pather Pathik Club for rendering help and cooperation in conducting the work.
Last but not the least, I am grateful to Ms. T. Panda and to the members of my family for their sustained help, moral support and encouragement throughout the long duration of this work.
