I am thankful to all who directly or indirectly helped me in making this work possible.

It starts with a deep sense of gratitude to Dr. (Mrs.) Leela Kanal, who is the sole inspiration and guide throughout the preparing of this manuscript. Her vigilant supervision and meticulous attention to details at the expense of her busy personal and professional life have gone a long way towards the completion of this work.

I express my thanks to my husband Mr. Deependra Srivastava for his support and co-operation throughout this project.

I should like to give my special thanks to Mr. Hasan Mohammad of Osmania University, for providing me books and critical works during my visits to the library.

I must not fail to thank my parents, sisters, brother and friends for their moral boosting words and keenness and enthusiasm that made this work possible.
