ACKNOWLEDGEMENT

The author avails the opportunity to express her sincere gratitude and great appreciation to Dr. Prabhat Kumar, Reader, Department of Zoology, D.V. (P.G.) College, Orai, Jalaun, for his highly esteemed guidance, valuable and inspiring suggestions throughout this investigation.

I gratefully acknowledge with thanks to Dr. N. D. Samadhiya, Principal, D. V. (P.G.) College, Orai, for enrolling me as Ph. D. student and allowing me to use his institutional facilities.

I am extremely grateful to Head and members of teaching staff of Zoology Department for all types of help and discussions during the study, without their blessings the work would not have been completed.

I would like to express my intense feeling of gratitude to Shri Krishna Mohan Purwar, Manager, Smt. G.B. Science college, Mauanipur, Dr. J. P. Gupta, Principal of same college, Dr. A. B. Gupta, Head Deptt. of Zoology, B. B. College, Jhansi for their keen interest and inspiration during the course of present study.

Thanks are also due to my friends, Smt. Sandhya Gupta and Smt. Bhawana Arjaria and other members of teaching staff of Smt. G. B. Sc. College, Mauanipur who directly or indirectly were of great help during the tenure of this study.

My heartfelt thanks go to my research fellows with whom I have shared everyday during this study especially Dr. Amit Saxena, Sh. Shatrughan Singh, Anil Ku. Saunakiya, Rajesh Kumar and Smt. Rangoli. I am thankful for their ready help at needy situation.
The author wishes her sincere thanks to her mother in law, Smt. Nandini Pateria and brother in laws, Dr. Ravi Prakash Pateria, Sh. Hari Shankar Pateria and Sh. Rama Shankar Pateria for their cooperation so that this work could be possible.

Author is extremely grateful to her grand father Shri Chunni Lal Chaubey, mother Smt. Munn Devi and Father Shri Anma Ram Tripathi and also other family members as Smt. Madhuri Pateria, Sh. Vivek Bajpai, Smt. Archna Bajpai, Smt. Usha Dubey, for their constant encouragement, keen interest and incomparable help to fulfill this difficult task of her life.

At last but not the least author also wishes her sincere thanks to her noble hearty and cooperative husband Shri Uday Narain Pateria for their constant inspiration, moral support, sympathy and patience to complete this work.

Author have no word to express her feelings and gratitude to her loving daughter Km. Sneha Pateria for her love and patience during the entire tenure of this investigation.
