ACKNOWLEDGEMENT

With great humility, I express my heartiest gratitude to “Lord Krishna- The Almighty”, all gracious, merciful, the compassionate, who bestowed me health and enough courage for the successful completion of this academic venture.

I sincerely express my thanks to Dr. Rashmi Tyagi, Associate Professor, Department of Chemistry, JUET, Guna for providing me an opportunity to carry out the Ph.D. work under her guidance. The words at my command are not adequate in form or spirit to meet the ends of justice in the matter of expression of a deep sense of gratitude to my supervisor for her valuable guidance, sustained encouragement and unending zeal which led to the completion of this thesis work.

It is my pleasure to express sincere thanks to our honorable Vice Chancellor, Prof. J. S. P. Rai JUET, Guna for providing all the relevant facilities as well as positive and effective environment to carry out the research work in the university campus.

I express my sincere gratitude to Prof. N. J. Rao (Ex Vice Chancellor) and Prof. S. Arunachalam, Dean, JUET, for his timely suggestions and moral support. I would like to express my thanks to Prof. N. N. Dutta, HOD, Department of CHE & Chemistry for his support. I am also highly thankful to the entire doctoral program monitoring committee members for their guidance and support.

I would also like to express my thanks to Prof. D.S. Hooda and Dr. Hari Mahalingam for their guidance.

I also gratefully acknowledge the Council of Scientific and Industrial Research (CSIR), Govt. of India, Delhi for their financial support and collaboration opportunity as well as awarding the Senior Research Fellowship to accomplish this research work.

I am highly thankful to my seniors viz. Dr. Geetha Dass, Dr. Naveen Kumar, Dr. Sonali Saxena, Dr. Khushboo Pachori etc. for their friendly attitude, cooperation and support. I am also thankful to other research scholars and lab technicians of the Department of Chemistry, JUET, Guna for their assistance.
I would also like to gratefully acknowledge my previous M.Sc. and M. Phil supervisors, **Prof. Mahesh Dutt**, Bundelkhand University, Jhansi (U.P.) and **Dr. Sanjay Gupta**, SCVBGC, Palampur, H.P. University, Shimla (H.P.), respectively, who always inspired me through memories, “Memories mean relieving those valuable periods of their suggestions and guidance infinitely”.

All the words in the lexicon will be futile and meaningless if I fail to express and divulge my kindhearted gratitude, regards and appreciation to my husband **Mr. Ravindra Baghel** for his tender attachment, sacrifices, understanding and unconditional support without which this work would have been merely a dream. I am yet to find suitable words to express my thanks and heartiest affection to my daughter **Piyushi Singh** for her sacrifice of valuable moments with me.

I would like to express my extreme sense of regards to my adorable parents, **Sh. Chabbi Ram Baghel** (father-in-law), **Smt. Rama Devi** (mother-in-law), **Sh. Vijendra Singh** (father) and **Smt. Sonia Singh** (mother) for their unconditional support, prayers and blessings.

I readily become nostalgic when I think of acknowledging the nice cooperation and support of brothers, **Mr. Lokendra K. Singh** and **Mr. Devendra K. Singh** (brothers) and **Sh. Bhagirath Baghel**, **Dr. Pramod Baghel** and **Dr. Shyam Sunder Baghel** (brother-in-laws) and all family members for their constant encouragement during the course.

I am also thankful to so many other people from different walks of life who generously helped me directly or indirectly.

Vinayika Singh
