LIST OF TABLES

1.1 Exponential trend growth rates of area, production and yield of rice in West Bengal 4
1.2 Gini coefficient of distribution of operational holdings, West Bengal and India, 1970-71 to 2002-03 7
1.3 Growth rate of GDP (at factor cost in 1999-2000 prices), by source, India, 1950-51 to 2007-08, in per cent per annum 10
1.4 Annualized rates of growth in GDP and agricultural earnings in India, 1983 to 2004, in per cent 11
1.5 Growth rates of agricultural and non-agricultural employment (current daily status) in India, 1993-94 to 2004-05, in per cent per annum 12
1.6 Estimates of mean household and per capita income in rural India 14
1.7 Location of study villages 32
1.8 District-wise exponential trend growth rates of area, production and yield of rice in West Bengal 38
1.9 Total and sample households, by occupation categories, study villages, 2005 39
1.10 Estimates of average income, consumption and savings per person, by place of residence, 1983-84 57
2.1 Population details of Dalkati 88
2.2 Literacy rate of population 7 years and above, by sex and social group, Dalkati, 2005, as per cent of total population 89
2.3 Median years of schooling of the adult population, by sex and social group, Dalkati, 2005 89
2.4 School Enrolment rates for children in the age group 5 to 18 years, by sex, Dalkati, 2005, as percentage of total children in the age group 90
2.5 Work participation rates for individuals above the age of 16, by sex and social groups, Dalkati, 2005 91
2.6 Cropping pattern and crop yields in Dalkati, 2005-06 93
2.7 Distribution of ownership holding of agricultural land, by size class of ownership holdings, Dalkati 2005 93
2.8 Social inequalities in land ownership, Dalkati, 2005 94
2.9 Population details of Amarsinghi 98
2.10 Literacy rate of population 7 years and above, by sex and social group, Amarsinghi, 2005, as percentage of total population 98
2.11 Median years of schooling of the adult population, by sex and social group, Amarsinghi, 2005 99
2.12 School Enrolment rates for children in the age group of 5 to 18 years, by sex, Amarsinghi, 2005, as percentage of total children in the age group 99
2.13 Work participation rates for individuals above the age of 16, by sex and social group, Amarsinghi, 2005 100
2.14 Cropping pattern and crop yields in Amarsinghi, 2005-06 101
2.15 Distribution of ownership holding of agricultural land, by size class of ownership holdings, Amarsinghi, 2005 102
2.16 Social inequalities in land ownership, Amarsinghi, 2005 103
2.17 Population details of Bidyanidhi 106
Literacy rate of population 7 years and above, by sex and social group, Bidyanidhi, 2005, as percentage of total population
Median years of schooling of the adult population, by sex and social group, Bidyanidhi, 2005
School Enrolement rates for children in the age group of 6 to 18 years, by sex, Bidyanidhi, 2005, as percentage of total population
Work participation rates for individuals above the age of 16, by sex and social groups, Bidyanidhi, 2005
Cropping pattern and crop yields in Bidyanidhi, 2005-06
Distribution of ownership holding of agricultural land, by size class of ownership holdings, Bidyanidhi, 2005
Social inequalities in land ownership, Bidyanidhi, 2005
Literacy rates of population 7 years and above, by sex in the study village, A3.1 2005, as percentage of total population
Tenancies in the study villages, 2005
Redistribution of agricultural land in the study villages till May June 2005
Number and share of households assigned homestead land in the study villages till May June 2005
Summary statistics of annual household and per capita incomes, Dalkati, 2005-06, in Rupees
Summary statistics of annual household and per capita incomes, Amarsinghi, 2005-06, in Rupees
Summary statistics of annual and per capita household incomes, Bidyanidhi, 2005-06, in Rupees
One-way ANOVA to compare mean household incomes in the study villages
Proportion of households below poverty line, study villages, 2005-06, in per cent
Proportion of relatively poor households, study villages, 2005-06, in per cent
Annual per capita incomes, by social groups, study villages, 2005-06, in Rupees
Number and proportion of relatively poor households, by social groups, study villages, 2005-06
Results of Chi Square test for independence of poverty and social groups
Inequality in annual per capita household incomes in study villages, 2005-06
Decomposition of inequality of annual per capita incomes, study villages, 2005-06
Regression of log y
Decomposition of variance of annual household income, study villages, 2005-06
Average monthly household income of farmer households, by source, India and States, 2002-03, in Rupees
Number of households receiving income and average annual incomes, by source, Dalkati, 2005-06
Number of households receiving income and average annual incomes, by source, Amarsinghi, 2005-06
Number of households receiving income and average annual incomes, by source, Bidyanidhi, 2005-06
Composition of average annual income, by source, study villages, 2005-06, as percentage of total household income

Average monthly income of farmer households, by source, survey data and NSS SAS data, in Rupees

Average gross value of output, cost and income from aman paddy, study villages, 2005-06, in Rupees per acre

Gross value of output and cost of production of kharif paddy, West Bengal and study villages, 2005-06, in Rupees per acre

Average gross value of output, cost and income from boro paddy, study villages, 2005-06, in Rupees per acre

Average gross value of output, cost and income from potato, study villages, 2005-06, in Rupees per acre

Average gross value of output, cost and income from mustard, study villages, 2005-06, in Rupees per acre

Average gross value of output, cost and income from sesame, study villages, 2005-06, in Rupees per acre

District level indicators of urbanisation and industrialisation

Gross value of output, cost of cultivation and net income, by crops, study villages, 2005-06, in Rupees per acre

Average household incomes from source, by income quintiles, study villages, 2005-06, in Rupees per annum

Share of household income from source, by income quintiles, study villages, 2005-06, in per cent

Decomposition of GE(2), by source of income, study villages, 2005-06

Tobit analysis of determinants of household incomes, by source of income, study villages, 2005-06

Distribution of income flows from dependent variables in on-farm, off-farm and non-farm incomes, study villages, 2005-06, in Rupees per annum

Contribution of dependent variables to income inequality, by source, study villages, 2005-06, in per cent

Pearson correlation coefficients between total household income, on-farm and non-farm incomes and land ownership

Average household incomes from source, by size class of ownership holdings, Dalkati, 2005-06, in Rupees per annum

Average household incomes from source, by size class of ownership holdings, Amarsinghi, 2005-06, in Rupees per annum

Average household incomes from source, by size class of ownership holdings, Bidyamidha, 2005-06, in Rupees per annum

Number of sources of income per household, by village, 2005-06

Average number of activities per worker, by sex, study villages, 2005-06

Distribution of workers, by type of activity, by sex, study villages, 2005-06

Measures of income diversification, by per capita net household income quintiles, study villages, 2005-06

Measures of income diversification, by asset quintile, study villages, 2005-06

Measures of income diversification, by social groups, study villages, 2005-06
Results of one way ANOVA to assess the differences in mean number of sources of income per household between Dalit and Adivasi households and non-Dalit/ non-Adivasi households, study villages, 2005-06

Results of one way ANOVA to assess the differences in mean number of activities per worker between Dalit and Adivasi households and non-Dalit/ non-Adivasi households, study villages, 2005-06

Results of ANOVA to assess differences in mean per capita income of households with non-wage non-farm incomes and rest of the sample households, study villages, 2005-06

Results of one way ANOVA to test the difference of mean per capita household income of wage-labour households that participated in non-agricultural labour and those that did not, study villages, 2005-06

Employment under NREGA, Bonkati gram panchayat and Kanksa Block, March 2008 to January 2010

Financial performance of NREGA, Bonkati gram panchayat and Kanksa Block, March 2008 to January 2010

Total expenditure in NREGA by type of project, Bonkati, 2008-09

Number of projects and expenditure in NREGA by type of projects, Bonkati, 1 April 2009 to January 31 2010
