Research in science is an ever-evolving discipline, which desires the close cooperation of friends, colleagues and the guidance of experts in the field to achieve something worthwhile and considerable to reach the pinnacle of success.

I am deeply obliged to Prof. Prakash Singh Biden, Former Vice Chancellor, Jiwaji University, Gwalior, M. P., Former Director, J.C Bose Institute of Life Sciences, Bundelkhand University Jhansi, U. P. India, who has been my guiding force in this venture. His constant encouragement, moral support, valuable suggestion, timely help and assurance has enabled me to accomplish this work successfully.

I express my deepest gratitude to Prof. Ramesh Chandra, Former Vice-Chancellor Bundelkhand University, Jhansi, U. P, India; Founder Director, A. C. B. R., University of Delhi, Delhi, India, who has been gave me the opportunity to work with him in A. C. B. R. University of Delhi, Delhi. His generous and constant support, motivation and keen interest in research have given me a vision to accomplish my task.

I take this opportunity to thank all, who have directly or indirectly helped me in this venture.

I would like to express my sincere thanks to Prof. V. M. Katoch, Director, Central JALMA Research Institute of Leprosy, Agra, U. P., India, for providing the clinical isolates, Mycobacterial strains and clinical specimens for my study.

I am indebted to Dr. B. B. Loheray, President, Zydus Research Centre, Ahmedabad, India, for providing me the opportunity for partial fulfillment of my experimental work in his laboratory. I am thankful for his constant support and encouragement.

I am extremely grateful to Dr. G. V. Kadival, Former Scientist, Bhabha Atomic Research Centre (BARC), Mumbai, India, Director, V. K. Immunotech Pvt. Ltd,
Thaned West (Mumbai) India. His valuable suggestions have helped me a lot in my life in various respects.

I also acknowledge the cooperation and help received from Dr. Janardan Kumar, Harvard University, USA, whenever solicited.

My special thanks to Dr. (Mrs.) Anju Katyal, A. C. B. R. University of Delhi, Delhi, for her constant support, and motivation.

I owe my sincere thanks to Dr. Rakesh Kumar Sinha, for his constant support and encouragement. He is specially acknowledged for the analysis of the data.

I am extremely grateful to Dr. (Mrs.) Q. Khan, Head, Department of Pathology, Gandhi Medical College, Bhopal, M.P. India, Dr. V. K. Ramnani, Gandhi Medical College, Bhopal, M. P. India and my friend Dr. Rupesh Agraval, S. S. Medical College Rewa, M. P. India for providing various specimens, which have been enrolled for study and for providing facilities to conduct the evaluation studies.

I am extremely thankful to Dr. P. K. Pandey, Head, Department of Biotechnology, J. C. Bose Institute of Life Sciences, Bundelkhand University Jhansi U. P. India and my senior Dr. V. S. Chauhan, Dr. Ram Beer Singh, Dr. (Mrs.) Bhanu Mati Singh, Department of Biotechnology, J. C. Bose Institute of Life Sciences, Bundelkhand University Jhansi U. P. India and Dr. Rishi Saxena for their support and help.

I wish to express my deep appreciation to Dr. Sanjay Kumar Singh, Bundelkhand University Jhansi, U. P. India, for his co-operation, critical evaluation of my thesis work, support and encouragement.

My special thanks to my friend Mr. R. P. Tiwari for his 'always ready attitude' for me. I am thankful to Prof. N. K. Sah, Head, Department of Biotechnology, MITS Gwalior M. P. India, Dr. P. P. Singh, Department of Pharmacology J.H. Quilen college of medicine, East Tennessee state University, Johnson City, TN –14 for their friendly support and help during stay in MITS, Gwalior, M. P.
I shall remain ever grateful to Dr. (Mrs.) M. G. Ganawuo, Public health & Research Institute New J., NY (USA) who has helped me a lot in my life in various aspects.

I am thankful to Mr. H. P. Pandii, Zydus Research Centre, Ahmedabad, Gujarat, India, Mr. Promod Serkhane, Scientist, BARC, Mumbai, India and my colleagues & friends Mr. Naresh Singh Redhu, AIIMS, New Delhi, Ms. Toral Shah, Ms. Nisha Sadhwani, Mr. Gourav Mehta, Mr. Depend Soni, Zydus Research Centre, Ahmedabad, Gujarat India, Mr. Nagendra, J. N. U. New Delhi, Mr. Mohammad Raish, Mr. Manish Jain, University of Pune, Pune, Mr. Avanish Kumar Singh, MITs, Gwalior M. P., India, Mr. Surendra Prajapati, Malaria Research Centre Delhi, Ms. Neelam Gupta, for their kind support and help during this tedious period.

No amount of thanks would fully express the gratitude towards my Parents who have been a constant source of encouragement with their unfailing support, unconditional love and affection which have directed me towards the achievement of my goals in life.

I wish to sincerely thank each and every individual, who I may have failed to mention personally for his or her help.

I take pleasure in addressing my nation in whose earth I have been born and have accomplished my philosophy in tuberculosis. I hope my work will be counted as a valuable drop in the ocean of our national and international scientific achievement.

(Dileep Tiwari)
