ACKNOWLEDGEMENT

I am extremely indebted to Dr. M.Z. Siddiqui M.Sc. M.Phil. Ph.D Aligarh, Department of Botany Bipin Bihari (P.G.) College, Jhansi under whose inspiring guidance, constant encouragement, constructive criticism and painstaking efforts, I could carry out the present investigation and prepared this manuscript. I shall also express to Dr. (Mrs.) Siddiqui M.Sc. Ph.D. Department of Zoology Bipin Bihari (P.G.) College Jhansi for her valuable suggestion.

I would like to express my gratitude and thankfulness to Prof. (Dr.) Ramesh Chandra the Hon’ble Vice Chancellor of the University of Bundelkhand for granting me his patronage during course of present research work.

I take the opportunity of expressing my sincere thanks to Dr. M.C. Kanchan, Head Department of Botany, Bipin Bihari (P.G.) College, Jhansi for providing me research facilities.

I am grateful to Dr. P.S. Tomar, Director Indian Grassland and Fodder Research Institute, Jhansi also for providing me some of the facilities.

Thanks are also to all of my friends specially to Dr. U.P. Singh (I.G.F.R.I.), Dr. S.K. Mishra, Dr. R.S. Parihar, Dr. Pradeep Saxena, Sri Harish Pandey, Harsh Computers & Photoland Studio, whose co-operation and good wishes it would not have been possible for me to complete this work.
