

ACKNOWLEDGEMENT

I would like to express my sincere gratitude and heartfelt reverence to Dr. Dipak Sarkar, Principal Scientist and Head, National Bureau of Soil Survey and Land Use Planning (ICAR), Regional Center, Kolkata for his constant inspiration, able guidance and providing me enormous technical support as well as facilities during the course of this investigation.

I am very much grateful to Prof. S.K. Sanyal, Director of Research, Bidhan Chandra Krishi Vishwavidyalaya, Mohanpur, Nadia, West Bengal for his immense constructive criticism and proficient guidance to enrich this work.

I am thankful to the Director of National Bureau of Soil Survey and Land Use Planning (ICAR), Nagpur, India for giving me permission in undertaking the research work in the said organization.

I am very much indebted to all the scientists of National Bureau of Soil Survey and Land Use Planning (ICAR), Kolkata; specially, Dr. A.K. Sahoo, Dr. D.S. Singh, Dr. S. Gangopadhyay, Dr. D.C. Nayak, Dr. T. Chattopadhyay, Dr. D. Dutta, Dr. K. Das, Mr. S. Mukhopadhyay and Mrs. T. Banerjee for providing me help and co-operation as and when required.

I am thankful to Dr. Abhijit Halder for his untiring aid as an elder brother and valuable academic tips during the course of this study. I would also like to thank Mr. A. Majumdar, Mr. J. Das and Mr. A.S. Halder and Mrs. Rituparna Basu for providing me help during laboratory investigation.

I am grateful to Dr. Vijay Baraik, Scientist, Jharkhand Space Applications Center, Department of Information Technology, Government of Jharkhand for providing me support in socio-economic data procurement.

Thanks are also accorded to Dr. D.K. Pal, Principal Scientist and Head, Soil Resource Studies Division, National Bureau of Soil Survey and Land Use Planning (ICAR), Nagpur for rendering help and co-operation during X-ray diffraction Analysis.

I am thankful to my friends, especially Dr. P. Bhattacharya, Dr. A. Ghosh, Mr. A. Bhowmick, Mr. R. Bera, Mrs A. Bera, Mr. K. Mukherjee and Mrs. K. Das (Pradhan) for their time-to-time valuable suggestions and help.

After rigorous calculations, writing and formatting of the PhD thesis it was sometimes very much tiring for me to refill a pen, booting the computer and even arranging the papers etc. I am thankful to my wife "Tanima" for caring me in every finer requirement as mentioned earlier, whenever I silently need it. The smiling face of my daughter "Anandi" was always boosting me "Yes Baba, you can do it."

I am thankful to my parents for there almighty blessings. Without the support of all my family members this effort would not have been possible.

Saurabh Ghosh.
