ACKNOWLEDGEMENT

It took lot of desire and perseverance on my part to work on and complete my Ph D, specially while having a family and a full time job. However I could not have done it without the support and consideration of a lot of other involved parties. I would like to recognize and appreciate their instrumental role in helping me achieve this milestone.

First, I sincerely wish to express my deep sense of gratitude to my esteemed guide Dr.A.B.Rao, Former Director of The Bharati Vidyapeeth’s Institute of Management and Entrepreneurship Development, Pune. His guidance and encouragement at every stage of development of this thesis helped me in this endeavour. His support, patience and motivation have been a great source of inspiration. Words are inadequate to express my gratefulness and indebtedness to my guide.

I am grateful to the Symbiosis International University and all the concerned authorities for providing a scholastic environment for research activity. Special thanks are due to the Registrar Mr V.M.Pol. I am also grateful to the Principal of BMCC, Mr. A.B.Deshpande Sir for being supportive and helpful at all stages of my work. I would also like to sincerely thank Dr M.M.Tapkir, Dr Sharad Joshi, Dr.S.V. Kadvekar, and Dr. Anil Keskar for their valuable suggestions at each step of the research study.
Research involves a lot of reading and the favourable environment and helpfulness of the library staff at Film and Television Institute of India, National Archives of India, Educational Multimedia Research Center, British Council of India and BMCC, made the whole process a joyful and fruitful one. I sincerely wish to thank each and every one of the librarians, who were very helpful in providing the necessary reference material.

I would also like to thank all the studio owners, the employees, the artists and customers of the studios, for their assistance without which this research would not have been possible. My heartfelt thanks to Bharat Ratna Lata Mangeshkar, Pandit Hridyanath Mangeshkar, Mr Girish Joag, Mr Pramod Chandorkar, Mr Nitin Joshi, Mr Sanjay Patil, Mr Omveer Saini, Mr Damle, Mr Vijal Dayal, Mr Farhad Dadyburjhor, Mr Sanjay Lonkar, Mr Sudhir Nayak, Mr Kaustubh Mudgal and Mrs Vinaya Hasmanis, and all my colleagues for providing assistance at every stage of this work.

My humble thanks to one and all in my family, especially my parents, my parents in law, my husband and my children, all of whom have been my pillar of strength and encouragement at each step of this endeavour.

Finally, I thank each and everyone who directly or indirectly supported me in this research.
