LIST OF TABLES

1.1: The Three Epidemiological Transitions
1.2: Morbidity & Mortality wise Classification of Indian States

3.1: Prevalence of Communicable Diseases in WB (2011)
3.2: Prevalence of Non-Communicable Diseases in WB (2011)
3.3: Classification of Diseases
3.4: Prevalence Pattern of Morbidity in WB & India
3.5: Socio-economic Determinants of the Incidence of Communicable Diseases in WB: A Study on Temporal Pattern
3.6: Incidence of Communicable Diseases in WB: Regional Differences

4.1: Share of Access in Healthcare Facilities across Income Classes and Regions
4.2: Reasons for No-treatment across Expenditure, Education, Socio-Demographic Classes in Rural and Urban Areas
4.3: Determinants of Access to Non-hospitalised Medical Care and Type of Provider in West Bengal (Marginal Effects)
4.4: Logistic Odd Ratios with Intersectional Classes (MPCE & EDU) for Access to Non-hospitalised Medical Care and Type of Provider in WB
4.5: Share of Access in Healthcare Facilities across Income Classes and Regions
4.6: Reasons for No-treatment across Expenditure, Education, Socio-Demographic Classes in Rural and Urban Areas
4.7: Determinants of Access to Non-hospitalised Medical Care and Type of Provider in West Bengal (Marginal Effects)
4.8: Logistic Odd Ratios with Intersectional Classes (MPCE & EDU) for Access to Non-hospitalised Medical Care and Type of Provider in WB
4.A.1: No. of Observations with Intersectional Classes (MPCE & EDU) in West Bengal
4.A.2: No. of Observations with Intersectional Classes (MPCE & SEX) in West Bengal
4.A.3: No. of Observations with Intersectional Classes (MPCE & EDU) in West Bengal
4.A.4: No. of Observations with Intersectional Classes (MPCE & SEX) in West Bengal

5.1: Morbidity Prevalence & Access to Hospital across Region in West Bengal (in %)
5.2: Access to Free Wards in Public Hospitals in West Bengal (in %)
5.3: Access to Healthcare Services from Public Institutions during Hospitalization (in %)
5.4: Out of Pocket Expenditure for Hospitalization across Sectors, Income Classes, Social Groups & Sex

vi
5.5: OOP Hospitalization Expenditure as a Percentage of Annual Household Expenditure
5.6: OOP Medical Expenditure Incurred during Hospitalization across MPCE Classes in WB (in Rs.)
5.7: OOP Medical Expenditure Incurred during Hospitalization Across Social Groups in WB (in Rs.)
5.8: OOP Medical Expenditure Incurred during Hospitalization across Sex in WB (in Rs.)
5.9: Cost of Medicine as Percentage of OOP Expenditure
5.10: Percentage Prevalence of Catastrophic Hospitalization Expenditure
5.11: Determinants of Catastrophic Hospitalization Expenditure in WB (Odds Ratio)
5.12: Per Capita Net Subsidy by Region, Service and MPCE Class (in Rs.)
5.13: Per Capita Net Subsidy by Region, Service, Social Class & Sex
5.14: Per Capita Benefit-Subsidy across Types of Service, Economic Class and Region (Rs.)
5.15: Per Capita Benefit-Subsidy across Types of Service, Social Group and Region (Rs.)
5.16: Per Capita Benefit-Subsidy across Types of Service, Sex and Region (Rs.)
