ACKNOWLEDGEMENT

I visualize a rare moment of pride and pleasure to extend my most sincere and heartfelt gratitude to my learned and magnanimous advisor Dr S P Singh, Reader and Head Deptt Of Genetics and Plant Breeding, Brahmamand Mahavidyalaya, Rath (Hamirpur) U P for his prudent suggestions, valuable criticism and scientific orientation of the dissertation which has made this manuscript as a memoir of my life. I, infact, find paucity of words to express his sound knowledge of the subject and keen interest in it and his potentials during the course of the investigation.

I am highly grateful to Dr L.N Agrawal, Principal Brahmamand Mahavidyalaya Rath (Hamirpur) U P, Dr. Ajay Singh Gauntiya, Principal Scientist, Deptt of Plant Physiology, J N K V V, Jabalpur, Dr H C Singh Jr Breeder (Maize) and Dr R K Yadav Asstt Professor Deptt Of Genetics and Plant Breeding C S Azad University of Agriculture and technology, Kanpur for providing me all kinds of help during the course of this investigation.

I bestow my most hearty gratitude to Dr R N Dubey, Retd Breeder (Linseed), C S Azad University of Agriculture and Technology, Kanpur and Shri Ramanand Pathologist (Linseed), Crop Research Farm, Mauanipur for their encouragement and aspiration again and again.

I am also indebted to Dr S S. Bhartiya, Dean faculty of Agriculture, Bundelkhand University, Jhansi for his profound affection and constant encouragement.
I would like to render my hearty thanks to my well-wishers who encouraged me for completion of manuscript, specially Prof O P Mathuriya (In-charge Linseed & Sesame AICORP), Dr. P K Singh (Jr Breeder, Linseed) both from oil seeds section, CSA Univ of Agriculture & Technology, Kanpur, Dr C P Sachan (Asstt Professor/Jr Scientist), Dr. R P Vyas (Asstt. Professor/Jr. Scientist), Dr Sushil Kumar Swarnkar all three from Deptt Of Seed Technology, CS Azad University of Agriculture & Technology, Kanpur, Sri Surendra Singh (Sr.Lecturer) and Sri Balwant Singh (Sr Lecturer) both from Brahmanand Mahavidyalaya Rath and Dr R A Yadav (Jr Agromist) Crop Research farm Mauanipur.

I am also thankful to Sri Ramdeen Kachhi, Sri Chintamani and Sri Shyam Lal of Crop Research Farm, Mauanipur for their timely help during hybridization and lab work.

I shall fall to perform my duties if, do not express any gratefulness to my childhood friend Er R S Saxena (AE Jal Santhan, Kanpur) his wife Smt Monica Saxena, daughters Tuhina and Tuhka for all the instinctive blessings, encouragement, sacrifice and love rendered to me throughout the course of my study.

However, I can not forget to mention Vyas Graphics, Raina Marcket Kanpur who analysed the data and Mr Harish and Saf Khan of Aman Computer’s, Rath, who spared time for typing of this manuscript without delay when I inteded.

I must render my most hearty felicitations to my father Sri Prem Narain Nagaich (Retd Post Master) and Mother Smt
Sharda Nagaich for their time to time benevolent help, moral support, love during the entire life of study.

I am also indebted to my wife Smt. Vijaya Laxmi Nagaich, daughter Anuja, son Abhinav and all my family members for their cooperation and help for a long time during the entire period of preparation of this manuscript.

In the last but not least, I extend my thanks to all who helped me directly / indirectly in preparation of the manuscript.
