

TABLE OF CONTENTS

<i>Preface</i>	
Chapter I Introduction	1-6
1.1 Study Background	
1.2 Research in related areas	
1.3 The purpose and Process of Research	
1.4 Chapterisation of Report	
Chapter II Literature Review	7-26
2.1 Introduction	
2.2 Neighbourhood Unit Concept	
2.3 Integrative Principles of Urban Form	
2.4 The Identity of Place	
2.5 Beyond the Neighbourhood Unit	
2.6 City Core and Periphery Dynamics	
2.7 A Critique of Modernist City Planning Principles and New Urbanism	
2.8 The 'Emergent Neighbourhoods' Model	
2.9 Application of Theories in Present Research Framework	
Chapter III Research Methodology	27-33
3.1 Research Background	
3.2 Research Proposal	
3.3 Research Methodology	
3.4 Research Techniques	
3.5 Research Outcome	
Chapter IV Kolkata City Morphology	34-68
4.1 Introduction	
4.2 The Early Road Network and impact on city structure	
4.3 Planned Interventions in the CIT (Calcutta Improvement trust) Era	
4.4 Metro Rail Network and socio-cultural homogeneity and the neighborhood	
4.5 Residential Neighbourhoods of Kolkata: Homogeneous Grey Zone Continuum and Discreteness	
4.6 Commonalities and Distinctiveness of Case Study Areas	
4.7 Summary of Findings	

4.8 Defining the Criteria of Analyses of Case Study Areas	
Chapter V Case Study of Area 1: Ramdhan Mitra Lane Area	69-137
5.1 Introduction	
5.2 Location and Area Definition	
5.3 Neighbourhood Uses and Functions	
5.4 Physical Transformations	
5.5 Street Network	
5.6 Visual Analysis : Streetscapes	
5.7 Demography and Social Structure	
5.8 Housing Typologies and Neighbourhood Structure	
5.9 Perceived Image of Neighbourhood	
5.10 Conclusions from Case Study area 1	
Chapter VI Case Study of Area 2: Kalighat Park Area	138-200
6.1 Introduction	
6.2 Location and Area Definition	
6.3 Neighbourhood Uses and Functions	
6.4 Physical Transformations	
6.5 Street Network	
6.6 Visual Analysis : Streetscapes	
6.7 Demography and Social Structure	
6.8 Housing Typologies and Neighbourhood Structure	
6.9 Perceived Image of Neighbourhood	
6.10 Conclusions from Case Study area 2	
Chapter VII Conclusion	201-233
7.1 Summary of Work	
7.2 Research Questions Revisited	
7.3 Generalisation of observations and transformation pattern identification	
7.4 Development Blueprint	
7.5 Outcome of the Research	
7.6 Future Scope of Research	
References and Bibliography	234-242

Annexure: Maps, Excel sheets, Publications and Abstracts, KMC document and JNNURM documents	I-IX
