BIBLIOGRAPHY

A large portion of the factual material presented in this thesis, especially of the material presented in Chs 4-6, have been collected through extensive personal field investigation, including on-the-spot study of actual conditions, issue of questionnaires, and interviews with senior Government officials, Works Managers of the industrial estates concerned, and a large number of individual entrepreneurs. In addition, the following Reports, bulletins, articles and books have been particularly useful in the preparation of this study.

GOVERNMENT OF INDIA REPORTS AND PUBLICATIONS.

21. Government of India, Ministry of Commerce and Industry, New Delhi, Endorsement No.3-SSI(B)(22)/59, dated, the 30th June, 1960.
