List of publications of Mr. D. Ghosal.

Publications:-

   Transcription of tRNA in Limnaea (mollusc) Embryos.

   Further investigations on Transcription in Limnaea (Mollusc).

   Rhythmic incorporation of $^32$P and $^3H$ uracil in early
   mitotic cycles of Limnaea (mollusc) eggs.

   Rhythmic incorporation of $^{35}$SO$_4$ during early embryonic
   mitosis in Limnaea (mollusc).

Manuscripts:-

1. Brahmachary, R.L., Mallik, B., Tapaswi, P.K., Ghosal, D.
   On the biosynthesis and partial characterisation of heavy
   (Pre-28S) RNA in Limnaea embryos. (in Press).

2. Brahmachary, R.L., and Ghosal, D.
   Studies on the nature of $^{35}$SO$_4$ incorporated compounds
   during development of Limnaea embryos. (Part-I).
   (in Press).

3. Ghosal, D.
   Studies on the nature of $^{35}$SO$_4$ incorporated compounds
   during development of Limnaea embryos. (Part - II)
   (in Press).
