Acknowledgement

I have no words to express my humble gratitude to my co-supervisor Dr. S. P. S. Bhadauria, Head, Department of Mathematics, Pt. J. L. N. Postgraduate College, Banda and my supervisor Dr. N. L. Singh, Head, Department of Mathematics, T. D. Postgraduate College, Jaunpur, whose valuable keen interest, guidance, constant encouragement and inspiration helped me during the entire thesis work.

I am thankful to the Principal of Pt. J. L. N. Postgraduate College, Banda and all the members of the department whose valuable co-operation and suggestions helped me all the time to complete my entire work.

I am also thankful to Dr. A. K. Singh, Principal, T. D. Postgraduate College, Jaunpur.

I am sincerely thankful to Dr. G. C. Chaubey, Reader, Department of Mathematics, T. D. Postgraduate College, Jaunpur, who put me on this path.
I am thankful to my friend Bhavana Shukla, Smriti Gupta and my husband Mr. Ajay Kumar Pathak for their encouragement. I also thank to Jyoti Mishra for her numerous day to day suggestions and encouragements.

I do not find ample words in expressing my feeling to my brother Praveen Kumar Chaubey and sister Shashi Chaturvedi for their love and affection that insisted me to perform the assignment.

I am thankful to Mr. Ajay Kumar Singh for his skilled typing of the manuscripts.

In last but not least, I pay my utmost regard to my respected parents Sri Suresh Kumar Chaubey and Smt. Nirmala Devi whose inspiration removed all the hurdles and enlightened the way to the perfection of the thesis.
