ACKNOWLEDGEMENT

First of all, I would like to acknowledge my deepest sense of gratitude to my Learned Guide, Dr. N. Ramalingam, Reader, Gulati Institute of Finance and Taxation (Formerly Centre for taxation studies) Government of Kerala, Thiruvananthapuram, for his invaluable guidance, continuous inspiration and timely suggestions which enabled me to complete this thesis as desired.

Prof. Sreedharan Moothathu, The Head of the Post graduate Department of Commerce and Dr. B. Ramesh, Reader, Post graduate Department of Commerce, Sree Sankara College, Kalady, who were always helpful to me. I acknowledge my gratitude to them for their relentless assistance and scholarly suggestions.

I have great pleasure in acknowledging my indebtedness to Dr. M.K. Ramachandran, the Principal, Sree Sankara College Kalady for his co-operation and support during the course of my research.

I wish to thank Prof. M.J. Usha Devi, and Dr. K.P. Gopinathan Nair, the former Principals of Sree Sankara College Kalady for their timely support and assistance.

I am very much obliged to Prof. V.J Peter, Principal, Pavanatma College Murickassery, Dr. Johnson V. Head of the Department of Commerce, and my colleagues, for their whole hearted support and co-operation.

I remain grateful to Prof. V.T. Kurian former Principal, Pavanatma College Murickassery for encouraging and supporting me to pursue the research work.

I place on record my sincere thanks to Dr. S. Jeevanand for the timely help and assistance for the conduct of the study.
I remember with gratitude Sri. Jose K.J, Lecturer, Department of English and Dr. A.P. Philip, Lecturer, Department of Commerce, Pavanatma college Murickassery for the effective direction and timely help extended to me.

The Academic and Non-academic Staff of the Gulati Institute of Finance and Taxation Thiruvananthapuram had been very encouraging and helpful. I remember with thanks the services they have rendered to me.

I express my gratitude to the Librarians and officials of the Legislative Assembly Library, Trivandrum, Centre for Development Studies, Trivandrum, University of Kerala, Mahatma Gandhi University and Department of Economics Kariavattom, for their help and assistance.

I am thankful to Mahatma Gandhi University for providing me the facilities to carry out the research work.

I remember the sacrifices and prayers of my wife Laly Dominic, beloved parents and my children Cerin, Rose and Zeno which enabled me to complete the thesis as desired.

I acknowledge with thanks the University Grants Commission for the fellowship awarded to me, which was highly helpful for the completion of the research.

Above all, I thank God the Almighty, who enabled me to materialize a long cherished desire, in the form of this thesis.

DOMINI V.A.
