ACKNOWLEDGEMENTS

This study entitled "An Exercise into the Poverty Levels Obtained Among Marginal Farmers and Landless Agricultural Labourers Operating under Irrigated and Unirrigated conditions in Madurai District" was undertaken by me under the supervision and able guidance of Dr.B.S.Nagarajan, Professor and Head, Department of Economics, and Dean, Faculty of Rural Social Sciences, Gandhigram Rural Institute, Gandhigram, but for whose sustained encouragement and scholarly guidance, this study would not have been completed. Words are inadequate to express my thanks and gratitude to him. I am deeply indebted to him.

Dr.S.R. Subramaniam, Professor and Head, Department of Agricultural Economics, Tamil Nadu Agricultural University, Coimbatore and Dr.C. Thangamuthu, Professor of Economics, Department of Economics, Bharathidasan University, Thiruchirapalli, as members of the Doctoral committee guided me from time to time and helped me in giving a shape to this research work. I am very much obliged to them.
At this moment, I wish to place on record my sincere thanks to the former Vice-Chancellor of Gandhigram Rural Institute Dr. M. Aram who initiated this task, to the former Vice-Chancellor Prof. Devendra Kumar who had been a constant source of inspiration and to the present Vice-Chancellor, Shri. D.K. Oza, I.A.S., who gave all encouragement and expedited the completion of this work. My sincere thanks are also due to the Registrar, the administrative staff and the Librarian of Gandhigram Rural Institute for all help rendered to me in this regard.

The Block Development Officials of Madurai East, Alanganallur, Nilakottai and Vedasandur and the Village Administrative Officers and the respondents in the villages of Kodikulam, Alanganallur, Sengottai and Kalvarpatty provided me with the relevant information. I wish to place on record my deep sense of gratitude to all of them for the help rendered to me in this endeavour.

I thank all my colleagues in the Department of Economics and all the faculty members of the Rural Social Sciences, Gandhigram Rural Institute as well.
I am deeply grateful to my colleague Sri. S. Ramachandran, Senior Lecturer in Economics, for his constant and continued support throughout my research work.

I am also thankful to my colleague Dr. S. Rarnaswamy, Senior Lecturer in Economics for his help extended to me in this endeavour.

My gratitude is due to Dr. S.V. Hariharan, Reader in International Economics, School of International Studies, Pondicherry University for his valuable help in my research work.

My Senior colleagues in Gandhigram Rural Institute, Prof. M. Joseph, Professor and Head, Department of Cooperation and Sri. N. Markandan, Reader in Extension and Sri. V. Arockiasamy, Headmaster, Thambithottam Higher Secondary School, Gandhigram gave me all moral support and encouragement for which I am thankful to them.

I wish to express my thanks to Mr. N.D. Mani, Lecturer in Cartography, Mr. A. Joseph Dorairaj, Lecturer in English, Gandhigram Rural Institute, and Mr. S. Manivel for all help extended to me in this task. My thanks are also due to Mr. S. Srinivasan, Ambathurai and to other friends who helped me in typing this thesis.
I am thankful to all my relatives, particularly to my in-laws, Smt. and Sri. K.A. Yesuratnam and my wife Smt. R.Vimala Arokiasamy and my children Rex, Jeny and Roselin for their valuable prayers and encouragement for the completion of this work.

My special thanks are due to M/S. Trident Enterprises, Dindigul for their perfect Electronic Typing, and M/S. Rosy Xerox for their neat copying.

Finally I wish to extend my heart-felt thanks to each and every one who helped me in some way or the other in this endeavour.

Gandhigram: (A. AROKIASAMY)
