ACKNOWLEDGEMENTS

I am indebted to

1. Council of Scientific and Industrial Research for providing me with a Senior Research Fellowship,
2. Dr. S. K. Bose, Director, Institute of Child Health, Calcutta, for giving me laboratory facilities to work,
3. Dr. K. P. Sengupta, Director, Institute of Post Graduate Medical Education and Research, Calcutta, where the research was continued,
4. Dr. R. C. Das, present Principal, David Hare Training College, Calcutta - 19 and Dr. J. C. Dasgupta and Prof. D. Mahanta, Ex-Principals, David Hare Training College, Calcutta - 19 (where I am attached as an Assistant Professor in Zoology) who inspired me much to carry out the Research,
5. Sri Biren Bose, Darjeeling without whose help it would not be possible for me to collect the specimens,
6. My colleagues in David Hare Training College who inspired me in finishing the Ph.D. work,
7. My friends and colleagues in the Department of Biochemistry, Institute of Post Graduate Medical Education & Research, Calcutta, for their valuable advise, ungrudging help and assistance without which this research could not have been undertaken, I am especially indebted to Dr. Sm. Gita Datta and Dr. Malay Pramanick,
8. I am also indebted to Sm. Manju Chakravorty (Roy), of Bureau of Educational and Psychological Research, Calcutta - 19, who extended her statistical help during processing the data,
9. I extend my respect and indebtedness to Dr. Mrs. Geeta Mukherjee and Dr. S. Mukherjee for their invaluable assistance.
