ACKNOWLEDGEMENT

I offer my thanks to the Lord Almighty for strengthening me to complete my thesis. I inscribe my profound and heartfelt gratitude to my guide Dr. R. K. Rajan, Scientist-E, Regional Sericultural Research Station, Central Silk Board, Ministry of Textiles, Government of India, Salem, for his invaluable guidance, constant encouragement and sheer perseverance throughout the course of this study.

I am grateful to Dr. C. K. Kamble, Director, Central Sericultural Research Institute, Mysore and Dr. S. B. Dandin, former Director of this institute for their constant inspiration and administrative support.

I express my deep sense of gratitude to the Central Silk Board, for allowing me to accomplish my research work on part time basis at CSR&TI, Mysore.

Dr. N. B. Vijaya Prakash, Director, CTRTI, Ranchi, Dr. R. G. Geetha Devi and Dr. V. Thiagarajan, Joint Directors, Dr. B. Nataraju, Scientist D, CSR&TI, Mysore have been continuously encouraging me during the course of the work and I register my sincere thanks to them.

I also profusely thank Dr. G. Subramanya, Chairman, Board of studies, Dr. Y. Srinivasa Reddy, Professor (Rtd.) and Dr. D. Manjunath, Department of Sericulture, University of Mysore for all the support rendered during the study.

I immensely thank Dr. S. Lakshmanan, Scientist for his timely suggestions, constructive criticism and inspiration throughout the course of my work. Smt. Jalaja S. Kumar and Sri. H. Jayaram, Scientists have been rendering their helping hands to me time to time, I do acknowledge their valuable help.

I have great pleasure in expressing my sincere gratitude to Sri. Gnanasekharan, Sri. N.A.Govindaraju and Sri. Shivanna, Assistant inspectors of sericulture, all the staff of DOS, Erode district, Government of Tamil Nadu and Sri. Thirunavukkarasu, Sri. Mani and Smt. Mary Flora, Scientists of REC, Gobichettipalayam for their co-operation during the survey and for providing all possible support in pursuing the present investigation.
I sincerely thank all the farmers of Erode district, Tamil Nadu for furnishing the details to carry out the study.

I do acknowledge the help and co-operation rendered by Dr. M. V. Rao, Sri. K. Rajashekar, Dr. A. M. Babu, Scientists and Smt. Sandhya, Library and Information Officer of CSR&TI, Mysore.

My special thanks to Dr. T. Mogili, Scientist, REC, V. Kota and Smt. N. Dhahira Beevi, Scientist, RSRS, Salem for keeping my spirit up during the course of my study.

I also thank Mr. J. Justin Kumar, Technical Assistant for his help in designing and adding aesthetic value to my thesis.

I can not forget the help and support offered by my colleagues and friends Smt. B. C. Vasantha, Smt. U. Bharati, Smt. S. Vijayalakshmi, Smt. Surama Patnaik and Smt. U. Sudha in various ways.

It is my privilege to express my heartfelt thanks to my father Sri. S. Alagappan and my uncle and aunty Mr & Mrs. T. Selvaraj, for being a constant source of inspiration in everything I do. I am indebted to my dear daughter Priyanka for bearing all lapses and without whose co-operation, successful completion of this work would not have been possible.

Finally, a word of thanks to all who have helped me directly or indirectly during the course of my study.
