

ACKNOWLEDGEMENT

It is a pleasure to express my gratitude to all the individuals and institutions that generously assisted and supported me during the research and writing of this thesis.

I would like to take this opportunity to convey my sincere gratitude to all those who have continuously encouraged and supported me.

The first person I would like to thank is my guide, **Dr. Jyoti S. Madgaonkar**. I thank her for her patience and guidance that carried me on through difficult paths and for her insights and suggestions that helped me shape my research skills. Her enthusiasm and mission for providing high quality work has made a deep impression on me. I am really glad that I have come to know **Dr. Jyoti S Madgaonkar** in my life.

My deepest appreciation is to **Dr. S. Venkatesan**, who read all the chapters of the draft and offered his thoughtful comments which greatly helped me in improving the manuscript and to shape my research design.

I would like to express my sincere gratitude to: **Dr. Kevin Rowel** for his valuable help in various aspects of my research. His eye for details and strive for accuracy has influenced me a great deal.

I would like to express my great appreciation to **Dr. Arezou Jamalian** for her generous efforts reading and editing many parts of the thesis.

I would like to express my sincere thanks to: **Dr. Lancy D'souza** for his valuable help in statistical analysis of my research, and also **Mrs. Nila** and **Mr. Rangachari** in language correction aspects of my research.

I sincerely thank the teaching and non teaching staff of Department of Psychology, Manasgangotri for extending their support during my research.

I also thank the educational center management in Shiraz- city which gave me permission to carry out this research on their students. Without their cooperation, this study would not have been completed.

Most importantly, I thank all the students and their parents who participated in this study. Without their cooperation, this study wouldn't have been possible at all.

I wish to express my love and gratitude to my mother **Alambaha Mohamadi**, my father **Ahmad Saadat**, my sisters **Dr. Mehrnosh** and **Dr. Fariba Saadat**, and my daughter and son, **Arezou** and **Armin Aflatoni** for constantly fuelling me with encouragement, especially at times when I need their support the most, those who were with me from the start to the finish. Without their patience, motivation and unconditional supports, I would have never reached my destination. This was one of the best decisions of my life as it shaped my future being.

I thank **Dr. Mahmud Alizadeh** for sending me articles related to my research at my request.

Lastly, I would like to thank **Dr. Ghanizade**, Psychotherapist who supported my research by his careful diagnoses of ADHD children and sending them to me for further research program.

Finally, I would like to thank all whose direct or indirect support helped me in completing this voyage.

Thank you all,

MEHRNAZ SAADAT ABADI
