ACKNOWLEDGEMENTS

I am greatly indebted to my research guide Dr. Buddhadeb Manna, Reader, University of Calcutta, Calcutta, for his constant guidance, inspiration, generous encouragement, invaluable suggestions and critically going through the manuscript.

My thanks are due to the Director, Zoological Survey of India, for providing facilities for this work.

I am very much grateful and indebted to Dr. M. Haifeezullah, Scientist SE, Zoological Survey of India, Calcutta, for his generous inspiration, encouragement and help during preparation of thesis.

I am equally grateful and indebted to Dr. C.B. Srivastava, Scientist SE (Retd.), Dr. A.K. Mondal, Scientist SE and Dr. R.K. Ghosh, Scientist SD, Zoological Survey of India, for their inspiration, encouragement and help in various ways in completion of the thesis.

I am specially thankful to my colleagues Shri D.K. Kundu, Shri S.B. Bhattacharya, Shri S.R. Deysarker, Shri S.C. Ghosh, Shri J.G. Pattanayak, Shri A.K. Sarder and Shri S.R. Mondal for their inspiration, cooperation and help in various ways.

(Indu Bhushan Dutta)
