ACKNOWLEDGEMENT

I express my very deep sense of gratitude to Professor M. Adhikari, Ph.D., D.Sc., Acharya P.C. Ray Professor of Agricultural Chemistry, University College of Agriculture, Calcutta University, for suggesting the problem, valuable guidance, keen interest and constructive criticism and cherish for ever his affectionate approach during the entire course of this investigation.

I extend my grateful thanks to Professor S.K. Gupta, Dr. K. Ghosh and Dr. N.C. Chattopadhyay of this Department for their encouragement and providing the necessary facilities during different phases of the study.

I am immensely grateful to Dr. M.K. Majumdar, formerly Senior Chemist, G.S.I., Calcutta, for his keen interest and valuable suggestions during the entire period of my study.

I am also thankful to my colleagues and co-workers for their encouragement during the work.
