ACKNOWLEDGEMENT

I would like to offer my grateful thanks to Dr. (Mrs.) Kalyani Sen for her continued help and guidance during the course of the research work. I am also thankful to Prof. A.N. Chatterjee, Head of the Department of Microbiology for his kind interest in this work.

My kindest regards and sincerest thanks are due to Prof. S.C. Bhattacharya, Director, Bose Institute and also to Late Prof. S.M. Sircar and Prof. S.K. Mukherjee, the former Directors, Bose Institute, for kindly extending me the facilities to perform this research work.

I would like to express my deep sense of gratitude to my colleagues and friends in the Bose Institute for their help and sincere co-operation during the preparation of the thesis.
