ACKNOWLEDGEMENT

It is a great pleasure to express my deep sense of gratitude to Prof. (Dr) A.B. Banerjee (Dept. of Biochemistry, Calcutta University) who provided me the Post Graduate fellowship of Calcutta University, all laboratory facilities and extremely valuable suggestions even when my investigator was in abroad, and his generous co-operation, making room from his valuable time during my research periods. I am also expressing my heartfelt thanks to Dr. K. Chakraborty and his family members.

I am thankful to Dr. Subhankar Ray, Dr. Asish Sanyal for their advice and frequent suggestions due to the distributed informations regarding research purpose for extending my knowledge and research carrier.

My special thanks to all my colleagues namely Dr. Amit Sarkar, Gulum Faruk, MD. Geiasuddin, Ranjan Singh, Bhabadev Choudhury, Dr. Arabinda Mondal, Susanta Mondol (C.N.C.R.I. Calcutta), Dilip Ghosh, Dr. Amit Krishna Dey, Mr(s) Monorama Moitra (Office of the Dept. of Biochemistry) and others whose names I cannot recall. I am deeply indebted to Tapas Sengupta(1, 2), Susanta Pahari for the cordial and stimulating atmosphere, shared excitement and memorable times.

I acknowledge the cordial help rendered to me by Dr. Diptesh Sengupta (Dept. of Biochemistry, Calcutta
University), Prof. S.P. Banerjee (Dept. of Agriculture, Calcutta University), Prof. K.R. Sarkar (I.A.R.I. New Delhi) and Prof. V. Arunachalam (I.A.R.I. New Delhi).

I am extremely grateful to Mr. V.S. Sundararajan (Bose Institute) for his sincere and untiring effort in giving complete guidance for documentation of this thesis.

I am also grateful to Ranajit Singh, Ashim Bhaduri, N.R. Hanzda and N.H. Choudhary, my school life teachers, from whom I had learnt my power of tolerance and research mentality.

I am also extremely grateful to Prof. (Dr) Heinz Rennenberg and Dr. (Mrs) Andria Polle from Federal Republic of Germany* for their cordial help.

Last but not the least, I am deeply indebted to my parents, my brothers and sister Mrs. Shilpi Mukherjee and Miss. Aditi Dutta for their help, encouragement and mental support without which my dissertation would have been a dream.

This work was also supported by the financial grant from Calcutta University, P.G. Fellowship.
