List of Tables

All the tables have been given in the Appendix.

Table 2.1 Percentage share of West Bengal in total value of industrial output of country.

Table 2.2 Industry's share registered industry's share and unregistered industry's share in West Bengal's state domestic product.

Table 2.3 Some economic indicators of West Bengal and India.

Table 3.1 Total number of small scale industrial units registered with the Directorate of Cottage and Small Scale Industries with corresponding employment in the districts of West Bengal upto 31-03-1993.

Table 3.2 Some indicators of performance of the Small Scale Industries of West Bengal (districts).

Table 3.3 Units, employment in different type of Small Scale Industries of West Bengal on 31st March, 1988.

Table 3.4 Some indicators of the performance of Small Scale Industries of West Bengal (districtwise).

Table 3.5 Some indicators of the performance of Small Scale Industries of West Bengal (Investment Slabwise).

Table 3.6 Units and production of the Small Scale Industries of West Bengal according to fixed investment slab and employment range.

Table 3.7 Units and production of the Small Scale Industries of West Bengal according to investment in plant and machinery and employment range.

Table 3.8 Units and investment in fixed assets of the Small Scale Industries of West Bengal according to production slab and employment range.
Table 3.9 Units and employment in the small scale industries of West Bengal according to production slab and investment in plant and machinery.

Table 3.10 Small scale industries of West Bengal and exports.

Table 3.11 Distribution of small scale industries of West Bengal in rural, urban and metropolitan areas.

Table 3.12 Distribution of small scale industries in backward and non-backward areas of West Bengal.

Table 3.13 Small scale industries of West Bengal in comparison to all India.

Table 4.1 Linear trend rate of growth of employment of labour in the small scale industries of West Bengal during the time period 1980-81 - 1990-91.

Table 4.1.1 Labour employment index.

Table 4.2 Linear trend rate of growth of capital (at constant price of 1980-81) during the time period 1980-81 - 1990-91.

Table 4.2.1 Index of capital at the constant price of 1980-81.

Table 4.3 Linear trend rate of growth of number of firms in every group of small scale industry of West Bengal during the time period 1980-81 - 1990-91.

Table 4.3.1 Index of the number of firms.

Table 4.4 Linear trend rate of growth of profit during the time period 1980-81 - 1990-91.
Table 4.4.1 Index of the profit rate.

Table 4.5 Linear trend rate of growth of non-labour input cost and labour cost for every group of small scale industry during the time period 1980-81 - 1990-91.

Table 4.5.1 Index of labour cost.

Table 4.5.2 Index of input cost.

Table 4.6 Increase in the gross value added for labour with respect to one unit increase in wage rate ($\beta$) in different groups of small scale industries of West Bengal.

Table 4.6.1 Logarithmic Value of Gross Value added per labour (LogV/L) at constant price of 1980-81 of different industries.

Table 4.6.2 Logarithmic value of wage rate per labour (Log W/L) at constant price of 1980-81 for different industries.

Table 4.7 Trend rate of growth of total factor productivity index according to different methods in different industries during 1980-81 - 1990-91.

Table 4.7.1 CES index of total factor productivity of different industries.

Table 4.7.2 Kendrik index of total factor productivity of different industries.

Table 4.7.3 Solow index of total factor productivity of different industries.
Table 4.7.4 Value of capital at constant price of 1980-81 in different industries.

Table 4.7.5 Employment of labour in different industries.

Table 4.7.6 Gross Value added at constant price of 1980-81 in different industries.

Table 4.7.7 Wage rate at constant price of 1980-81 in different industries.

Table 4.7.8 Rate of interest at constant price of 1980-81 in different industries.

Table 4.7.9 Logarithmic value of wage rental ratio (Log w/r) in different industries.

Table 4.7.10 Logarithmic value of capital labour ratio (Log K/L) in different industries.

Table 4.7.11 Whole sale price index of different industrial products.

Table 4.7.12 Whole sale price index of machineries taken as capital.

Table 4.7.13 Consumer price index of industrial workers of West Bengal.

Table 4.8 Capacity utilisation (C.U) and Gross value added (G.V.A) in small scale industries of West Bengal upto 31st. March, 1980.

Table 4.9 Percentage distribution of monthly per capita consumption expenditure over non-food-items.
