ACKNOWLEDGEMENT

It is with great pleasure that I acknowledge my deep sense of gratitude for all the valuable assistance I received from my esteemed colleagues and friends who are directly and indirectly involved in the task of my research thesis.

I am profoundly indebted to my mentor and research supervisor Dr. C. Basavaraju, M.A., LL.M., Ph.D. Dean and Chairman, Department of Post-graduate Studies and Research in Law, University of Mysore, Manasagangotri, Mysore, Karnataka, for his timely and scholarly guidance and encouragement and wholehearted co-operation in the timely completion of this research thesis. He has been the source of strength at all times by giving very valuable suggestions throughout my research work. His research experience and scholarly teaching in law has greatly contributed for bringing out a research thesis. He has been a great source of inspiration for all academic activities in the department.

I take this opportunity to place on record my deep sense of gratitude to my esteemed colleagues for their wholehearted support in my efforts of bringing out this research thesis. They have been kind enough to provide me an excellent moral support towards completion of my research work within the stipulated time.
