

ACKNOWLEDGEMENT

I have the great pleasure to express my reverence, indebtedness and heartiest gratitude to my respected supervisor, Prof. Tapan Kr. Jana, Department of Marine Science, Calcutta University who has initiated this study and extended keen interest, constant advice, encouragement and sole research guidance throughout the entire period of this work.

I also express my reverence and heartiest gratitude to my co-supervisor, Prof. Subha Sen, Department of Chemistry, Calcutta University who has encouraged me when I felt hopeless and helped me in every step.

I also express my heartiest respect to Prof. B.K. Sen for his fatherly care, strong affection, continuous encouragement and inspiration.

I would like to thank the authority of Calcutta University, providing me with all the laboratory facilities for both at Marine Science Department and Chemistry Department.

I must express my heartiest respect and best compliments to Prof. Subir Bhattacharya, Department of Chemistry, Calcutta University, who always helped me providing the fluorometer instrument for my entire work and encouraged me.

In this regard I would also take the opportunity to thank the Regional Sophisticated Instrumentation Centre, Bose Institute, Calcutta, for providing instrumental facilities like AAS and similarly take the opportunity to thank Saha Institute, Calcutta, for providing instrumental facilities.

I am extremely thankful to my research colleagues, Mr. Sandip Mukherjee, Miss Haimanti Biswas, to the field assistant Mr. Lakshmi Kanta Jana and to Mr. Goutam Panda for his extended cooperation to print the total works.

I express my sincere gratitude to my beloved father, mother, father-in-law, mother-in-law, uncles, aunts, brother and sisters.

The work would not have been possible without the patience and keen interest shown by my wife Mrs. Bandana Ghatak, who always inspire me.

I must have to express my affection to my only child Master Sombit who has lost his valuable affection from his father.

I am very much grateful to my wellwishers, friends, and my relatives who directly or indirectly helped me during the period of this work.

Haridas Ghatak
