I take this opportunity to offer my sincere thanks and express my deep sense of gratitude to my guide Dr. Samaresh Chaudhuri, Assistant Professor of Biochemistry, Department of Haematology, School of Tropical Medicine, Calcutta – 700 073, for his constant encouragement, inspiration and valuable supervision throughout the preparation and completion of the entire mass of work in the thesis concerned.

I am extremely grateful to Dr. Swapna Chaudhuri, Scientist and Guest Lecturer, Department of Pathology, Immunology Section, University College of Medicine, Calcutta – 700 020, for her constant inspiration and help in pursuing the work.

Thanks are also due to Professor P.K. Sarkar, Director, School of Tropical Medicine, Calcutta – 700 073 for his kind help and interests in the above thesis work. I also gratefully acknowledge the inspirations that I received from Dr. Mrs. Subrata Banerjee, Professor S.P. Das and Dr. Bilquis Begum of the Department of Haematology, School of Tropical Medicine, Calcutta – 700 073. I also take this opportunity to express my gratitude to the staff of the Dept. of Haematology, School of Tropical Medicine, Calcutta for their kind help.

I am also to acknowledge the pleasure of working with my beloved colleagues Shri Debasish Maiti, Ms. Sujata Law, Shri Durjay Majumdar and Shri Kaustuv Basu who extended their friendly cooperations all through. I further acknowledge the kind help of Dr. Subrata Mazumder, Dr. Gourisankar Sa, Dr. Tanya Das and Shri Amiya Ghosh (Bose Institute, Calcutta).
I have a special feeling to express my deep gratitude to my husband Shri Provat Kusum Ghosh in acknowledging the generous help and constant encouragement that he extended for the fruitful completion of my thesis work.

I owe my regards to my mother Smt. Basanti Palit and father Shri Sukumar Palit who constantly helped and inspired me for the fruitful completion of my thesis work. I also owe my regards to my parents-in-law for their interest and inspiration for the studies. Further, I am thankful to my beloved sister and brother-in-law who took interest for the successful completion of the thesis.

Thanks is also due to Mr. Sudam Jana who helped in typing out the manuscript.

Finally, I gratefully acknowledge Department of Science & Technology, Govt. of West Bengal for their sponsorship.
