ACKNOWLEDGEMENTS

In completing this work, I had the good fortune to be aided by a number of very helpful individuals. But to mention all the names is a difficult task due to the limit of space available here. Hence, I mention only my guide’s name to represent all those individuals who helped me at the academic level. My guide Professor Yogesh K. Tyagi always inspired me and gave me valuable suggestions at various times to complete this work. I mention only a few names who always encouraged me to complete the work – Shri Ramesh, Joint Director (Education); S.N. Dwivedi, R.N. Srivastava, Accounts Officers; Shreedhar Pandey, A.K. Upadhyay, A.K. Rai, Senior Auditors; and I.A.Ahrari, Office Superintendent. At the drafting level, help given by my nephews Rakesh Mani Tripathi, and Santosh Mani Tripathi and friends Vijay Pandey, Sudhir Pandey, Amarendra Srivasatava and Mahender Rana cannot be forgotten. I gratefully acknowledge the kind support of all these persons. I also acknowledge the blessings, love and affection given by my elders, mother, late aunt, brothers, sisters, wife (Kanchan) and daughter (Aditi).
