

INDEX.

1. Introduction	1
2. Material and Methods	4
3. Observations on the life history of Musca domestica nebulosa, Fabr.	
Life history	6
Copulation	7
Oviposition	9
The Egg	9
Hatching	10
4. The external morphology of the larval instars	
The first instar larva	12
The second instar larva.. ..	16
The third instar larva	18
5. The internal anatomy of the third instar larva	
Digestive system	21
Circulatory system	27
Tracheal system	31
Nervous system	37
Imaginal Discs & Ring Gland...	51
Muscular System	59
6. Pupation	70
7. External Metamorphosis	
Development of the Head	81
Development of the Thorax and its appendages	91
Development of the Abdomen	102
Female Pupa	107
Male Pupa	118

8. Internal Metamorphosis

Digestive system	130
Nervous system	140
Tracheal system	146
Reproductive system	165
Female Rep. system		167
Male Rep. system		172
9. Summary	184
10. Acknowledgements	196
11. References	197
