I express my deep and sincere gratitude to Dr. R. S. Tripathi, Reader, Department of Geography, Atarra Post - Graduate College, Atarra, Banda (U.P.) for his valuable guidance, sustained encouragement and constructive suggestions for completion of this research work. I am immensely grateful to Dr. R. S. Pandey, National Atlas & Thematic Mapping Organisation, Calcutta who first stimulated my interest and then helped me constantly from beginning to end of this work. I wish to express my sincere regards to Dr. P. Nag, Director, National Atlas & Thematic Mapping Organisation, Calcutta for providing me valuable literary materials. I am very sincerely indebted to Prof. Savindra Singh, Head Department of Geography, University of Allahabad for providing me opportunity to share the academic sessions along with Geomorphologists, which caused me much to do my research in Geomorphology. My sincere and heartfull thanks are also due to Dr. Alok Dubey, Reader, Department of Geography, University of Allahabad for providing his experience related to geomorphological research work. I express my sincere thanks to Shri S. K. Sengupta, Deputy Director and Shri Kirtimoy Mukherjee, Research Officer and Shri R.K. Dubey, Research Assistant, National Atlas & Thematic Mapping Organisation, Calcutta for their sincere help. I am also thankful to Dr. S.P. Agnihotri, Head, Department of Geography, M.M.P.G. College, Kalahankar, Partapgarh and Dr. Mahendra Shankar Singh, Research Associate, Department of Geography, University of Allahabad for their help in collection of reference materials. I am very affectionately obliged to my wife Mrs. Suman Lata who always kept me away from domestic engagements during this work and also helped me in completion of cartographic work for this dissertation.
Lastly, I wish to express my deep and sincere thanks to all those scientists and scholars on the earth whose works I consulted and referred for this research work.
