ACKNOWLEDGMENT

My sincere thanks to the following:

Dr. M.G. Shitole, my supervisor, for his valuable guidance and assistance for the completion of this work.

Prof. S.B. Chaphekar, Head, Department of Botany, University of Poona, for providing laboratory facilities.

Shri A.P. Pradhan, Principal, D.G. Ruparel College, Bombay, in securing fellowship from University Grants Commission.

Dr. V.S. Pradhan, Head, Department of Botany, D.G. Ruparel College, Bombay, and my departmental colleagues for moral support and motivation.

University Grants Commission, Delhi, for awarding the teacher fellowship for a period of one year.

All the research students of Botany Department, University of Poona, for their companionship.

Mrs. Anita N. Shingate for the help in presentation of this work.

Lastly I thank my family members, husband Padmakar and children Pradnya and Niranjan for their constant help, patience, encouragement and inspiration.

- Bhukta
