ACKNOWLEDGEMENT	i - ii
 CHAPTER	
I] THE PROBLEM	1 - 22
1.1 Global Situation following World War II	
1.2 Beginning of Planned Development in India and International Co-operation	
1.3 International Co-operation in Education	
1.4 Purpose of the Study and Research Questions.	
1.5 Limitations and Delimitations.	
1.6 Rationale	
1.7 Organisation of the Thesis	
II] REVIEW OF LITERATURE	22 - 64
III] METHODOLOGY	65 - 76
3.1 Design	
3.2 Nature and Sources of Data	
3.3 Procedures for Gathering Data	
3.4 Data Analysis	
IV] INTERNATIONAL ORGANISATIONS / AGENCIES INVOLVED IN EDUCATION	77 - 118
4.1 Assistance from National Governments	
4.2 Assistance from International Agencies.	
4.3 Assistance from Non-Government and Philanthropic Agencies.	
4.4 Asian Centre of Educational Innovation for Development	
V] TEACHER EDUCATION	119 - 235
5.1 Evolution of Teacher Education in India	
5.2 New Dimension to the Role of Teachers	

CHAPTER	PAGE
5.3	Policy Initiatives in Teacher Education involving International Co-operation
5.4	Major Organisations
5.4.1	University Grants Commission
5.4.2	National Council of Educational Research and Training
5.4.3	National Council of Teacher Education
5.4.4	National Institute of Educational Planning and Administration
5.5	Major Programmes in Teacher Education involving International Co-operation.
5.5.1	Regional College of Education
5.5.2	Training of Primary Teacher Educators
5.5.3	Micro Teaching
5.5.4	Models of Teaching
5.6	Activities of APEID in Teacher Education Programme
5.7	Overview
VII	SCIENCE EDUCATION
	236 - 348
6.1	Advent and Evolution of Science Education
6.2	Science Education in the Developed World
6.3	Science Educational Policy Initiatives in India
6.4	Major Projects / programmes in Science Education involving International Co-operation
6.4.1	Summer Institutes in Science.
6.4.2	UNESCO Mission
6.4.3	Secondary Science Teaching Project
6.4.4	Science Education Project
6.4.5	Project : Nutrition, Health Education and Environmental Sanitation.
6.4.6	Improved Science Education in Primary and Middle School in Madhya Pradesh and Uttar Pradesh
6.4.7	Educational Technology in Teaching of Science

CHAPTER	PAGE
6.5	Activities of APEID in Science Education Programme
6.6	Overview
VII]	POPULATION EDUCATION 349 - 433
7.1	Development of Population Education at the Global and Regional Levels.
7.2	Developmental Plans in India
7.3	Evolution of Population Education in India
7.4	National Population Education Project
