ACKNOWLEDGEMENTS

I am very grateful to GOD ALMIGHTY for without his graces and blessings this study would not be possible.

Immeasurable appreciation and deepest gratitude for help and support are extended to the following person who in one way or another have contributes in making this study possible.

It is my pleasure to acknowledge the roles of several individuals who were instrumental for completion of my Ph.D. research.

I would like to acknowledge the Dr. Sanjay D. Sawant, Director, National Research center for Grapes, Pune for allowing me to undertake the Ph.D. work at this institute.

I owe my profound gratitude to my guide Dr. Omprakash Chahar who took keen interest on my research work, for being so kind to show interest in my research and for giving her precious and kind advice regarding the topic of my research and finding out the time to reply to my e-mails and guide me all along till the completion of my research work by providing all the necessary information for completion my research work.

I am grateful, immeasurable appreciation and deepest gratitude to my co-guide Dr. Indu S. Sawant, Principal Scientist, Plant Pathology, National Research Center for Grapes, Pune for her support, advice, guidance, valuable comments, suggestions and
provision that benefited in the completion and success of this research. It was a pleasure working with her.
I wholeheartedly acknowledge the help from Dr. Anuradha Upadhyay, Principal Scientist, Biotechnology, National Research Center for Grapes, Pune in carrying out the research.
I would like to underscore dynamic efforts of the university persons especially Dr. Ikram Qureshi for giving me such attention and time for completion of thesis as per university format.
I would also like to convey my appreciation to my friends for providing me all the support strength without which I would not have been able to achieve this.
Finally I would like to express my sincere thanks to my family especially my mom for her moral support and encouragement to bring this work into effect.
