

LIST OF PUBLICATIONS

Abstracts :

1. Possible utility of liposomes in oral feeding :
Studied with entrapped Human Immunoglobulin G.
Nirmalendu Das, Pijush K. Das and Manoj K. Das
50th Annual Meeting of Society of Biological
Chemist (India) Baroda 1981.
2. A critical look into the oral feeding of liposomes.
Nirmalendu Das, Manoj K. Das and Bimal K. Bachhawat
51st Annual Meeting Society of Biological Chemist
(India) at Chandigarh 1982.
3. Stability of cholesterol-rich liposomes in oral feeding.
Nirmalendu Das and Manoj K. Das
International Sumposium on Biomolecular
Structure and Interaction, Bangalore 1984.
4. Cholesterol-rich liposomes as potent oral therapeutic carrier.
Nirmalendu Das and Manoj K. Das
Indo-Soviet Symposium on Structure and Function of
Biomembranes, Calcutta 1984.

Full Papers :

1. Detection of liposomes in portal blood following oral administration.
Nirmalendu Das, Manoj K. Das and Bimal K. Bachhawat
Journal of Applied Biochemistry, 1984, J. Appl.
Biochemistry, 6, 346-352.
2. Effect of cholesterol content on the efficacy of liposomes in
oral administration.
Nirmalendu Das and Manoj K. Das (1986). Ind. J. of
Biochem. Biophys. 23, 242-244.
3. Suppression of liver uptake of orally fed liposomes by injection
(I.P.) of Dextran Sulfate 500.
Nirmalendu Das, Mukul K. Basu and Manoj K. Das (1987)
Bioscience Reports (U.K.) (in press).
4. Plant glycosides in liposomal drug delivery system.
Nirmalendu Das, Bimal K. Bachhawat, Sashi B. Mahato and
Mukul K. Basu (1987). Biochemical Journal (U.K) (in press).
5. Oral application of insulin encapsulated liposomes.
Nirmalendu Das and Manoj K. Das
Submitted for publication.
