Acknowledgements

As I submit my thesis, it gives me a sense of immense contentment to express my gratefulness to all those who have contributed in their special way to make the completion of this thesis possible.

My deepest gratitude goes to my supervisor Dr. Narendra Tuteja for his constant guidance, encouragement, his ability to solve all problems in a simple manner. His down to earth and positive attitude towards life will always be an example for me. His patience and insight into the subject has always made me realize and understand it in a broader way. I feel great having worked under his supervision.

I thank Prof. V. S. Chauhan, Director, ICGEB, who gave me an opportunity to work at ICGEB. His support at various stages in these past four years is duly acknowledged.

My sincere gratitude goes to Dr. S. K. Sopory, Group Leader, PMB for providing all the necessary facilities during the entire course of Ph.D. I thank him for his consideration and support.

I am thankful to Profs. S.C Maheshwari, Nirmala Maheshwari and Drs. Sunil Mukherjee, Nirupam Roy Choudhury, M. K. Reddy, Madan Mohan, Raj Bhatnagar, V.S. Reddy, Suresh Nair, Nirupama Bhatnagar, R. Rajagopal and Dinesh Gupta for their valuable suggestions and support at all times. I also acknowledge the help and advice provided by Drs. Amita, Bhavna, Dheeraj, Janneth, Meenu, Neeti, Snehlata, Sudesh and Tanushri.

Dr. Renu Tuteja deserves special mention for her immense patience in listening to my troubles and helpful suggestion.

I am thankful to Dr. Shahid Jameel and Dr. Anandita for providing the confocal facility. I fully acknowledge the help rendered by Dr. B.N. Singh in confocal experiment.

Seniors Yashwanti, Gayatri, Mintu, Hoi, Wu, R. Kannan, Punjab, Dasaradhi, Vineetha, Wricha, Sidharth, Suman and Chamari made learning easier. Their unconditional support and help made working a pleasure. I acknowledge the help rendered by Parul and Preeti.

My special thanks to Naresh ji, Amit, Jeetu, Venky, Joshi, Vijay & Sachin. I am thankful to my juniors, Gowthman, Mridul, Dharmendra, Nurul, Shikha, Kosalai, Pradipto, Hattem, Ramesh, Kalyan, Sumona, Subhashish and all members of the plant molecular biology group, including Chandan, Surender and Ramesh Sharma for their cheerful support during the four years of my stay at ICGEB. All the members of the plant floor are also acknowledged for providing a congenial and friendly environment to work.

The financial help provided by CSIR for pursuing my thesis is duly acknowledged.

I enjoyed the great company of all my table tennis and cricket playing friends at ICGEB, JNU and NII.
Thanks to my batchmates—Aatish, Anuja, Aparna, Divya, Milan, Neetu, Rabi, Reetesh, Shilpi, Smita, Suchi, and Sunita for being there. Special thanks are due to Arun Pradhan, Tran Quang Ngoc and Vikash for their help and for all those light and cheerful moments that I shared with them.

I owe a lot to Basavaraj, Surendra, Yogi, Gopu, Dhiraj, Mohan Babu, Patil, Nagendra and Lalita for always listening to me and for being the best of friends. I shall always cherish the good times we had together.

I would like to thank my parents for their endless love, support, patience, and inspiration. My parents are the one who give me the courage to follow my dreams. My heartfelt regards to my sister Savita, Anita and Jija ji Jagram and Surender, Brother Sanjay and Bhabhi Yashoda for their support and love.

Words fail me to express my gratitude to my Mami, Mama, Ashu and Ena. All these years their house was another home for me. They were constant reservoir of cheer at all those times when I needed it most.
