Acknowledgements

I thank my research guide Prof. M. Wilscy, Head of Computer Science department, University of Kerala, Trivandrum for giving me the right mix of guidance, direction and independence in doing this research work.

I thank Prof. C. E. Veni Madhavan, Computer Science & Automation, Indian Institute of Science, Bangalore for his invaluable suggestions and for remaining as a constant source of inspiration for research.

I thank Prof. V. Santhakumari, Joint Director, Technical Education, Prof J. Letha, Director, Technical Education and Prof. Saheeda P. A., Principal LBS Institute of Technology for Women for their whole hearted support in completing this work.

I acknowledge all my colleagues in Department of Computer Science & Engineering at College of Engineering, Trivandrum and LBS Institute of Technology for Women for all their assistance and whole hearted cooperation in various phases of this work.

I also thank all my family members for their support and encouragement for completing this work.

Shreelekshmi R
