Acknowledgements

This thesis marks the beginning of journey that I long cherished. It gives me immense pleasure to recount the help I received while preparing for a research career.

First and foremost, I would like to express sincere thanks and gratitude to my supervisors Dr. Asitava Basu (Advanced Laboratory for Plant Genetic Engineering, IIT Kharagpur) and Dr. Gopal Chakrabarty (Dr. B.C. Guha Centre for Genetic Engineering and Biotechnology, University of Calcutta) for the guidance and encouragement that they have offered to me throughout the period of my research. I am grateful to them for their numerous ideas, thoughtful and constructive criticisms.

I would specially like to express my sincere regards and gratefulness to Professor S. K. Sen, Advanced Laboratory for Plant Genetic Engineering, IIT Kharagpur, for providing me all the facilities during my work and his critical advice and constant encouragement.

I am also thankful to Dr. Mrinal K. Maiti and Dr. Pranabesh Paria for providing me scientific inputs and valuable suggestions during this work.

It is my pleasure to thank Professor P. P. Chakrabarti, Head, Department of Advanced Technology Development Centre and Dean SRIC, IIT Kharagpur, and Prof. A. K. Ghosh (Prof. In-charge, Advanced Laboratory for Plant Genetic Engineering, IIT Kharagpur) for providing with extensive facilities and help during the course of work.

I am also indebted to Professor D. J. Chattopadhyay, Pro-Vice Chancellor (Academic), University of Calcutta for his valuable suggestions during the course of my research.

I would also like to thank Professor Sujit Roy and Dr. Debabrata Basu to allow me to use their laboratory facilities.

I wish to thank all the staff members of Advanced Laboratory for Plant Genetic Engineering for their invaluable assistance during the course of my research work with special thanks to Partha Das and Gayatri Aditya.

I would like to take this opportunity to express my gratitude to Mrs. S. Sen for her constant word of encouragement.

I would specially like to express my gratitude to my seniors and friends Sampurna Sattar, Banani Chatterjee, Pradipta Samanta, Joydeep Banerjee, Tirthartha Chatterjee, Subrata Das, Ch. Bhanupriya, Surajit Bhattacharyya, Paresh chatterjee and Palash Maity for their encouragement, help and invaluable friendship.

Last but not least I express my deepest gratitude to all my family members, for being so supportive during this time of my life.

June 2010
