Acknowledgement

I deeply adore Dr. (Mrs.) Uma Roy my Supervisor and Ex-Reader in Physiology, Department of Home Science (Food and Nutrition), University of Calcutta for her invaluable and continuous guidance, encouragement and above all her tenderness during the period of my research. Dr. Roy is revered for imparting liberality to me that has improved my self-reliance.

I owe Professor (Dr.) Arun Kumar Ray, my Associate-supervisor and Senior Professor (Retd.), Division of Molecular Medicine and Advisory Scientist, Bose Institute, Kolkata, a debt of gratitude for his help and inspiration to complete my work. His important suggestions have equipped me with materials to compose this valuable project.

I am beholden to Professor (Dr.) N. D. Paria, Dean, Faculty of Home Science, University of Calcutta and Professor of Botany, University of Calcutta for his advice, encouragement and necessary suggestions specially for pharmacognostic identification of the herb for this research work.

I hold in high regard Professor (Dr.) Subir Kumar Dutta, Ex-Dean and Professor of Pathology, University College of Medicine, University of Calcutta, for his advice, active interest and indefatigable back-up in academic sphere of my research work.

I am also indebted to Dr. Ashim Kumar Manna, Reader, Department of Pathology, IPGME & R, West Bengal University of Health Sciences, Kolkata for his valuable instruction in gaining knowledge of interpreting histopathological reports.

I sincerely respect Professor (Dr.) Kanailal Mukherjee, eminent ex-Professor in Biochemistry, Institute of Post Graduate Medical Education and Research (IPGMER & R), Kolkata, West Bengal and Professor (Dr.) Sukumar Chattopadhyay, Ex-Professor in
Biotechnology, Jadavpur University for their valuable suggestions and constant cooperation during the course of my study.

I express my sincere thanks to Dr. Debasish Mazumdar, Associate Professor, Department of Agricultural Statistics, Bidhan Chandra Krishi Viswavidyalaya, Mohanpur, Nadia for his kind advice for the statistical analysis of data.

I cannot forget the contribution of Dr. Chameli Ganguly, Research Scientist and Ex-Lecturer of National Homeopathy Institute, Salt Lake, Kolkata, who helped me for hormone research of this project.

I am also grateful to Dr. S. Mukherjee and other members of R & D Division of Dey's Medical Stores, Kolkata for their guidance in preparing the herbal extract for this project.

I sincerely respect my elder brother Mr. Anunay Nayak, Software Engineer and Team Leader, Software Development, Net Guru Ltd. for his encouragement and constant cooperation specially for photography during the course of my study.

I sincerely respect Dr. Santa Dutta (Dey), Head, Department of Home Science, University of Calcutta for allowing me to enjoy the departmental facilities to carry out the research work.

I acknowledge my regard to my senior Colleagues and teachers Dr. Suniti Ghosh Chatterjee, Professor (Dr.) Dipti Gajjopadhyay, Dr. Bela Jana, Dr. Minati Sen and Dr. Shibani Chakraborti for their continuous exhortation and constant academic cooperation during my study.

I am also thankful to all Librarians and other Staff members of Library of Department of Home Science, University of Calcutta; Bose Institute, Kolkata; Indian Institute of Chemical Biology, Kolkata and Dey's Medical Stores, Kolkata for their assistance at the time of my Library work.

I acknowledge my thanks to my senior and junior colleagues of the Department of Home Science, University of Calcutta for their sincere help and assistance.
Again, I shall be ever grateful to all office-staffs of Department of 
Home Science, University of Calcutta, for their sincere cooperation 
and help during the course of my research work.

I also offer a special thanks to Dr. G. C. Roy, Ex-Deputy CMOH, 
West Bengal Government for continuous cooperation to carry out 
the study.

The work would not have been accomplished without continuous 
inspiration of my husband Mr. Abhijit Ray and support of my 
babies Aarshi Ray and Aaheli Ray for their beloved mother. I 
always remember their contribution for completing this thesis 
work.

Finally, I take the opportunity to held the deep regard to my 
affectionate parents Late Salil Kumar Nayak and Mrs. Manjusri 
Nayak for their continuous encouragement and cooperation 
throughout my academic career including the course of this thesis 
work.
