ACKNOWLEDGEMENTS

I express my deep sense of gratitude and heartfelt thanks to Dr. B.V. Appa Rao, Reader in Chemistry (Guide) and Prof. G. Karthikeyan, Head, Department of Chemistry (Co-guide) for their inspiration, guidance and encouragement throughout the period of this work.

I am thankful to Prof. S. Ramamoorthy and Prof. N. Kamalamma, the present and the former Deans, Faculty of Rural Oriented Sciences, for their valuable advices.

My thanks are due to my colleagues in Chemistry Department and Mrs. Meenakshi, Mr. Jayaraman, Mr. Pitchaimani and Mr. Kesavan, the erstwhile D.O. En. Project staff for their co-operation and help during the village visits and collection of samples.

I am grateful to the Director, CECRI, Karaikudi for permission to use AAS and Dr. Augustin, Scientist, for all his help; the Head, RSIC, IIT, Madras for permission to carry out trace elemental analysis and Mrs. Bhavani and Mrs. Rama for all their help and the Head, Department of Plant Sciences, MKU, Madurai for permission to use the Auto Analyser.
I thank the librarians of NIN, Hyderabad and INSDOC, Bangalore for sending me the reprints of several research papers.

I am indebted to the villagers and the Headmasters of various schools of my study area who co-operated with me during sample collections and surveys.

I thank Mr. Pitchaimani specially for the computer prints of the necessary graphs. My thanks are due to Mr. Kanniah, Artist, for the photographs and Mr. N. D. Mani for drawing the map.

My sincere thanks are due to the Department of Environment, Govt, of India for the research fellowship.

Finally, I thank the computer centre, GRI, Rhema Computers and Soft a Ware, Dindigul for their help to put the thesis in print.

ANITHA PIUS
